The Willie J. C. Critton Team Spirit Award

Willie J. C. Critton was the Co-Chairperson for the "Paint Your Heart Out Shreveport" Program for several years, as well as a member of the program's Steering Committee since its inception. The focus of the program and Willie's personal philosophy of helping others were a perfect fit for his involvement and support. He always took his "volunteer" duties very seriously and could always be counted upon to get the job done

In July 2004, Willie J. C. Critton suddenly passed away leaving behind not only a bereaving family who loved him very much, but also a host of fellow "Paint Your Heart Out Shreveport" volunteers who now have a hole in their hearts. Consequently, in order to honor such a caring man, we dedicate this award in his memory.

We are proud to introduce the "Willie J. C. Critton Team Spirit Award." Each year there are teams that display their creativity by providing flowers or hanging baskets, painting address numbers, dog houses, etc., mowing the lawn and removing excess shrubbery, and lots of other things. This year we will present an award to the team that is the most creative in their beautification efforts as well as painting. The award will be presented at the Appreciation Party.
If you and your team are interested in participating, please complete and submit the attached slip along with your Team Interest Survey. Judges will be visiting the homes being painted by participating teams to determine the winner.

We look forward to your participation and a successful paint day.

Marcia L. Nelson

Marcia L. Nelson
Program Coordinator
