

March 17, 2011 - Mayor Glover Responds to Temporary GM Shutdown

“My heart goes out to the people of Japan as they try to deal with the catastrophic event that is impacting their entire country,” Mayor Cedric Glover said Thursday. “At the same time, I am deeply concerned about the negative affect this shutdown has on our residents and neighbors who work at GM. “

“Having said that, I am optimistic that the recovery will be swift, and our folks can get back to work as soon as possible. We’ll also continue our efforts to find long-term options for the plant itself.”
