

## **May 2, 2011 - City Begins Sewer Evaluation Survey Work**

The City of Shreveport is beginning a Sanitary Sewer Evaluation Survey (SSES) and Wastewater Master Plan project which includes flow and rainfall monitoring services. This work is being performed by the engineering firm of Burk-Kleinpeter, Inc. (BKI) through its sub-contractor, Compliance EnviroSystems, LLC (CES).

CES field personnel will access the sewer system at sewer manholes and lift stations throughout the City during the course of the four-month project.

All CES field personnel will be in uniforms and have visible identification badges issued by the City. All CES vehicles also will be clearly identified.

This work will be conducted weekdays from 7 a.m. to 6 p.m.

Questions should be directed to the Office of the City Engineer at 318-673-6000; BKI at 318-222-5901; or CES at 225-769-2933.
