

**May 18, 2011 - 1,400 Volunteers Ready to ``Paint Your Heart Out``
This Saturday**

Some 1,400 volunteers will spread out Saturday to give the City a face-lift of sorts by painting homes all over town that have qualified for the ``Paint Your Heart Out`` program.

This is the 19th year for the event, which has become a signature happening for the City's volunteerism efforts. The teams will start painting the 29 registered homes at 8 a.m. Their day ends at 4 p.m.

For other questions, contact Marcia Nelson, program coordinator, at 673-7528.
