

April 23, 2012 - Bridge Work Requires Two Temporary Road Closures

Motorists will have to make adjustments for construction projects that will close portions of two roads for at least 60 days. They are:

- From West 70th Street to Centre Drive while construction continues on the Buncombe Road Bridge. A detour has been in place since April 19.
- From Blanchard Shreveport Highway to MLK as work continues on the Roy Road Bridge. A detour for that route also has been in place since April 19.
