November 19, 2012 - Shreveport Convention Center Collects Readers' Choice Award

The Shreveport Convention Center has been designated a top meeting site by ConventionSouth, a national multimedia resource for planning events in the South.

The 2012 Readers Choice Award was given to 100 convention and visitor bureaus, meeting facilities and hotels located across the South.

"ConventionSouth readers have nominated and voted to decide the best meeting sites in the South, and it is no surprise to us that Shreveport Convention Center has been selected to receive our annual Reader's Choice Award," said ConventionSouth Publisher J. Talty O'Conner.

This is the second time Shreveport Convention Center has received this honor. The nominated properties were placed in an online ballot where meeting professionals were asked to vote for the best of the best. More than 1,500 voters participated.

ConventionSouth is based in Gulf Shores, Alabama, and is distributed to more than 18,000 meeting professionals across the country.
