## **SPAR ANNOUNCES OPENING OF SPRAYGROUNDS**

**SHREVEPORT, LA, May 7, 2010:** Shreveport Public Assembly & Recreation (SPAR) officially opened its Spraygrounds on May 3, 2010. SPAR has seven Sprayground water play areas in the city, which include Airport Park, David Raines, Hattie Perry, Lakeside and Querbes Community Centers, along with AC Steere and Riverview Park.

The spray parks have become very popular neighborhood amenities, offering respites from the sweltering summer heat. The cool spray of water lowers the body temperature and increases the enjoyment of a beautiful summer day. Use of the spraygrounds is free of charge.

The spraygrounds will be in operation from 8:00 a.m. to 8:00 p.m., seven days a week. Riverview Park's sprayground operates seven days a week from 7:00 a.m. until 1:00 a.m. and has a wind sensor that will shut down the fountains if the wind gets too high. Grab your bathing

suit and cool out on a hot summer day with SPAR! Water shoes are recommended.
