SPAR SEEKS LARGE TURNOUT FOR PARK ADVISORY COUNCIL MEETINGS

SHREVEPORT, LA, January 29, 2010: Shreveport Public Assembly & Recreation (SPAR) is seeking a large turnout for its scheduled Park Advisory Council (PAC) meetings at each of its 15 community centers. The SPAR Park Advisory Councils were created to serve as advisory liaison groups between community patrons and the respective SPAR recreation center/park. PAC members provide recommendations in respect to recreational programming, standard operations and maintenance concerns. SPAR is seeking to reinvigorate and establish active PAC Groups at each of its centers.

The meetings begin on Monday, February 1, 2010 and will take place at each community center through February 10. SPAR is seeking citizens to become members of the Park Advisory Councils at each center to have an active voice in how the community centers serve the community.
