Hello Parents:

We would like to extend a sincere welcome to the 2010 Therapeutic Recreation Adaptive Summer Program and we offer a special thank you for choosing to spend your summer with us as we prepare to kick off an exciting season of enjoyable and rewarding recreation programming designed for persons requiring special needs.

Our program consists of a variety of activities and events that are designed to accommodate the leisure needs of the physically, mentally, socially, visually and hearing impaired individuals. Our staff is well trained to provide personalized intervention services designed to meet the needs of each program participant. We provide wholesome recreational experiences that are exciting, rewarding, enjoyable, all in a safe, and enhancing environment. Although snacks will be provided, we ask that you would provide a sack lunch and drinks for each day.

If you have any questions, and/or concerns, feel free to contact Germaine Williams, Superintendent of Therapeutic Recreation at 673-7873 or Yolanda Bumcon, Recreation Supervisor at 213-0435.

Sincerely,

Yolanda Bumcon, Recreation Supervisor
