**BACKGROUND INFORMATION**

Heritage Place at Allendale is an affordable mixed-income/mixed-use development located around the historic C.C. Antoine Park in Shreveport, Louisiana. The Honorable Adrian Perkins, Mayor  
CITY OF SHREVEPORT, LOUISIANA  
505 Travis Street, Suite 200  
Shreveport, LA 71101

Re: Nomination of City of Shreveport Acreage  
For Oil, Gas & Mineral Lease  
Townships 17 & 18 North, Range 15 West, Caddo Parish, Louisiana

Dear Mayor Perkins:

McGinty-Durham, Inc. desires to obtain Oil, Gas and Mineral Lease coverage for approximately 538.54 acres located in Sections 1, 12, 13, 24, 25 & 36 of Township 17 North, Range 15 West and Section 13 of Township 18 North, Range 15 West, Caddo Parish, Louisiana. In order to obtain said lease coverage, the City Council of the City of Shreveport needs to enact a Resolution authorizing the State Mineral Board of the State of Louisiana to advertise and receive sealed bids in an upcoming State Lease Sale. Please note that the acreage to be nominated is virtually the same as that which was previously approved by the City and which appeared in the March 11, 2020 State Lease Sale. The only difference is that for some reason, the previous Resolution enacted November 22, 2019 failed to include our nomination No. 4 covering 23.68 acres. We now request that, should the City Council again agree to approve these nominations, that the Resolution will correctly include and approve all four (4) nominations.

The schedule of upcoming State Lease Sales indicates that the approving resolution must be received by the State Mineral Board prior to a **July 27, 2020 deadline** in order to make the October 14, 2020 State Lease Sale; therefore, we respectfully request that this issue be included on the agenda for the next possible meeting of the City Council. The resolution should authorize the State Mineral Board to act on behalf of the City of Shreveport and should be delivered to the Office of Mineral Resources; Petroleum Lands Division; P.O. Box 2827, Baton Rouge, LA 70821-2827. Since additional plats, descriptions and checks must accompany the Resolution, we would suggest that we pick up said Resolution once it has been prepared, provide the checks and additional information requested, then complete the process. According to the rules promulgated by the State Mineral Board, this acreage within multiple sections has been compiled into four (4) separate nominations. Included herewith is a map of each of the four (4) proposed nominations and the descriptions of the City-owned acreage within each nomination. These nominations include both fee lands owned by the City along with roadbed minerals acquired by the City through various statutory dedications. Also included for your convenience is a copy of the

previous Resolution issued by the City and approved on November 22, 2019. Once again, please note that the November, 2019 Resolution failed to include our Nomination No. 4.

Finally, I feel it is advisable to point out that no bids were received for this acreage in the March 11, 2020 Lease Sale. It is my understanding that the only reason no bids were submitted by my client is because of the minimums that were included in these nominations (which per the Resolution were \$1,250 per acre bonus and 25% royalty.) Because of the state of the oil and gas industry at this time (which is considerably worse than when the March, 2020 State Lease Sale occurred), the insistence of these minimums by the City Council might possibly meet with the same circumstance. We would then encourage the Council to either require no minimums whatsoever in the Resolution or to at least reduce the royalty minimum to 20%.

Should you have any questions or comments whatsoever, please do not hesitate to contact me at the above address/telephone number. We thank you very much for your cooperation and assistance in this matter.

Very truly yours,

**Joe K. McGinty, Jr.**

**CASE NO. 21-158-C ZONING REQUEST**

Applicant: **Robert Johnson**  
Owner: **George & James Johnson**  
Location: 2443 Hawkins St. (SE corner of Legardy St. & Hawkins St.)  
Existing Zoning: **R-1-5**  
Request: **R-1-5 to R-A**  
Proposed Use: Dwelling- Single-Family

**Representative &/or support:**

**Robert Johnson 2619 Legardy Street, Shreveport, LA 71107**

Mr. Johnson stated he was present in hopes to get the property rezoned to keep his horses where they are currently located.

Ms. Neubert inquired about how long Mr. Johnson lived at the property and if the horses were there the whole time he was at the property.

*draft*

Mr. Johnson responded 21 years and the horses have been there since he was a kid.

Ms. Neubert asked if the property was family property and how many horses he currently had.

Mr. Johnson replied yes, and he had four horses currently.

Ms. Neubert stated if Mr. Johnson was aware of the request in reduction in the number of horses if the application is recommended for approval.

Mr. Johnson stated his daughter involved a place in Grand Cane and this is where some of his horses are going to be moved to. He stated he wants some of the horses to stay with him, but majority will be going to Grand Cane.

Ms. Neubert clarified the total number of horses he could keep at his property were two. She stated it is a little over an acre of the property.

**Opposition:**

Linda Sylvie 2121 Ruby Street, Shreveport, LA 71107

Lillian Washington 2108 Ruby Street, Shreveport, LA 71107

Ms. Sylvie stated she owned property at 2109 Ruby Street, and she owned two vacant lots. She is in opposition of the horses because they could not get suitable zoning. She shared there was zoning for double wide homes once before. She stated it was changed without any notification. Ms. Sylvie stated they cannot get double wide homes, but they are putting horses everywhere they tear a house down. She expressed it is not fair that a horse can be placed where people want to put homes. She clarifies that the horses have not been there for 21 years. She shared that some people did have horses there every so often, but there were only one or two. She stated now they must wake up every morning to run horses out of their yards. She ends with the neighborhood really does not want the horses there. She pointed out on a map where she wished to put a double wide home, which she can no longer afford to do because of the zone change to a singular manufactured home.

Ms. Neubert inquired if anyone else in the neighborhood had horses.

Ms. Sylvie replied they do not. She stated there are horses down Narcissus Drive that get out as well and are in her yard every morning. She shared that she does not know who they belong to.

Mr. Clarke shared with Ms. Sylvie that the staff listened to the concerns of the citizens in the neighborhood in the City of Shreveport and she was right. The ability to request approval for manufactured housing was repealed and it has been reinstated. He shared that every lot in the MLK area is eligible to apply for manufactured housing.

Ms. Washington stated she was against the rezoning because 40 years ago she lived in that same house, and it was clean. She further states that now it is not clean and needs to be cleaned up. She inquired about the economical impact would the zone change bring to the area. Ms. Washington reiterated that she lived at the property before and there were no horses, and it was clean. She presented to the Board where she lived currently which was behind Hawkins and stated there are only four houses on the street she lives on now. She shared she grew up in the area and has been there for 69 years.

---

**Rebuttal:**

Mr. Johnson stated he agree with the citizens about the horses getting out, but as long as he can remember, his grandparents and himself have had the horses and they have never got out. He shared with the Board that a fellow neighbor also has horses, and they often get out and wander to the school. Most of the time it is him who gathers them up and gets them back home. He states that people see his face and assume they are his horses. He stated he runs the horses back and that they are back in the woods as well. Mr. Johnson shared with the Board that he tries to help the neighbor keep his horses up, but it is a full-time job.

Mr. Chairman inquired about Mr. Johnson's recommendation on what he think should be done in cases where some people have horses that just roam the neighborhood.

Mr. Johnson replied his neighbor is at the age where he is unable to ride anymore, and he was thinking he would sell the horses. He reiterated he has tried to help him a couple of times, going back there to check on the horses and keep them fed, but it was a wear and tear on him because he works everyday as well. He stated he could not do it anymore and that he has tried for two years to help keep them from getting out, but they get out anytime they get ready. He explained the horses would get not the new neighborhood and they would come to his house about the horses, and he would make it very clear they weren't his horses,

*draft*

but he would get them out the yard. Mr. Johnson stated he lived across from the school and would see the horses. He would get on his four-wheeler to pick them up to keep the peace with everybody.

A motion was made by MR. JOSEPH, seconded by MS. NEUBERT To recommend this application for approval.

The motion was adopted by the following 8-0 vote: Ayes: Messrs. ANDREWS, BALDERAS, ELBERSON, JOSEPH, MORTON, ROBERTSON, & SATER and Mses. NEUBERT Nays: NONE. Absent: Mses. JACKSON

## STAFF REPORT – CITY OF SHREVEPORT

NOVEMBER 3, 2021

AGENDA ITEM NUMBER: 10

MPC Staff Member: Austin Chen

City Council District: A/Tabatha Taylor

Parish Commission District: 2/Johnson

**CASE NUMBER** 21-158-C: **ZONING REQUEST**  
**APPLICANT:** ROBERT JOHNSON  
**OWNER:** George & James Houston  
**LOCATION:** 2443 Hawkins St. (SE corner of Legardy St. & Hawkins St.)  
**EXISTING ZONING:** R-1-5  
**REQUEST:** R-A  
**PROPOSED USE:** Dwelling - Single-Family Detached

---

**DESCRIPTION:** The applicant is requesting rezoning of a 1.76-acre tract of land from R-1-5 (Single-family Residential) to R-A (Rural-Agricultural) for Single Family Residential. Adjacent to the east and south are zoned R-1-5, across Hawkins St is zoned R-1-5, across Legardy St is zoned R-1-7.

There are no previous cases on the site or nearby relevant cases.

Nearby neighborhoods include: Martin Luther King, North Highland.

---

**REMARKS:** The applicant is requesting rezoning of a 1.76-acre tract of land from R-1-5 (Single-family Residential) to R-A (Rural-Agricultural) for Single Family Residential. The applicant received a violation for keeping horses. According to UDC code 7.3.P, it states "*Keeping of livestock, including the required livestock enclosures, is permitted as an accessory use only in the R-A, R-E, and R-1-12 Districts*". The applicant can have 1 acre for the first horse, and 10,000 square feet for each additional horse. Therefore, to keep horses, it has to be rezoned to R-A or R-E or R-1-12. R-A is the most suitable zoning in this area.

As stated in Article 4.2 of the Unified Development Code (UDC), R-A is defined as "*The intent of the R-A Rural Agricultural District is to permit single-family residences within agricultural areas. All residences within this district must be compatible with surrounding agricultural operations and must maintain and preserve agricultural activities. Regulations are structured to protect the agricultural character of the district.*" The permitted by right uses in R-A zoning district include Agriculture, Animal Shelter – Operated by Public Authority, Bed and Breakfast, Cemetery, Community Center, Community Garden, Conservation Area, Day Care Home, Dwelling – Manufactured Home, Dwelling - Single-Family Detached, Educational Facility - Primary or Secondary, Group Home, Place of Worship, Public Park, Soup Kitchen, Accessory, Wireless Telecommunications – Attachments to Existing Structures (Other than Towers), Wireless Telecommunications – Modifications, Farmers' Market, Temporary Outdoor Events, and Temporary Subdivision Sales Office. As stated in Article 7.3.P of the Unified Development Code (UDC), The following activities are permitted as part of the operation of a horse stable: *Riding*

## STAFF REPORT – CITY OF SHREVEPORT

*lessons, Boarding horses, Renting horses for recreational riding, Therapeutic riding.*

The subject property is in a neighborhood with a semi-rural character; there are several undeveloped lots, several small houses, and some regular single-family houses. At the same time, the subject property is in a large R-1-7, R-1-5 and R-A residential district. North of the subject property are large tracts of R-1-5 and R-A zoning; East, South, and West of the subject property are large tracts of existing R-1-7 and R-1-5 zoning. The subject property is only 600 feet away from the nearest R-A. If this rezoning request is approved, the subject property remains residential. The only change is that the applicant can legally have horses on this property. Therefore, approval of rezoning to R-A would not introduce incompatible uses into the area.

Rezoning from R-1-7 to R-A will not introduce heavier traffic to the neighborhood, the subject property is still residential. Therefore, approval of rezoning is not anticipated to cause heavier traffic to the neighborhood.

Regarding the future land use of this site, the Future Land Use Map of the 2030 Great Expectation Master Plan shows the subject property is zone Residential Low. The R-A Urban Corridor District would be consistent with the intentions of the Master Plan.

In lieu of a Neighborhood Participation Program meeting, the applicant was asked by the MPC Executive Director to secure a petition from the adjacent neighbors indicating their support or that they have no objection to the applicant to have horses at this location. The signed petition has been provided, showing the neighbors' support of the applicant's request. There are twenty-five signatures of the petition; considering the area's population density, twenty-five signatures demonstrate that the horses are welcomed in the neighborhood. However, an opposition letter with four signatures was received on 10/25/2021. Opponents believe that horses are harmful to the local community.

Field observations revealed on October 19, the subject property is in a neighborhood with a semi-rural character with low traffic. There are fences around the horses, that keep the horses contained within the property boundaries.

### STAFF

**ASSESSMENT:** Based on the information contained in the application, and analysis of the facts of record, MPC Staff concludes that approval of R-1-5 (Single-family Residential) to R-A (Rural-Agricultural) is warranted, due to the lack of impact on the area as well as the proposed development fitting the character of the surrounding area.

**Alternatively, based on information provided at the public hearing the MPC may:**

1. Approve the rezoning request for a different zoning type.
2. Deny the zoning request.

# OPPOSITION

I'm writing to express my strong opposition to case number 21-158C, the proposed rezoning at the SE corner of Legardy and Hawkins street, which is 2443 Hawkins.

First of all, the property is in a residential area, and horses roam up and down the street leaving horse manure in the street and in neighbors' yards. All times of the day and sometimes at night, horses are galloping up and down the street. This is a safety hazard for vehicles and property owners as well as others who travel Hawkins Street. I have witnessed horses in the middle of the street and almost causing an accident as cars drive on Hawkins street.

This is also an eyesore for tax payers of the properties of Hawkins Street who care about their homes. Horses on the street bring down the property value and that is a concern, as well. This property is directly across from the side of Green Oaks High School and visible to all who travel near Hawkins street.

Rezoning violates the Statue as it is written. The Statue states the following:

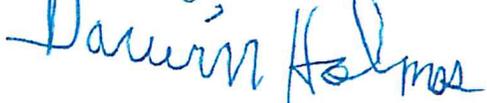

## R-A Rural Agricultural Zoning District

The intent of the R-A Rural Agricultural District is to permit single-family residences within agricultural areas. All residences within this district must be compatible with surrounding agricultural operations, and must maintain and preserve agricultural activities. Regulations are structured to protect the agricultural character of the district.

Notice it says "All" residences within this district must be compatible with surrounding agricultural operations, and must maintain and preserve agricultural activities. This is not the case because all do not preserve agricultural activities.

Thank you in advance for not allowing the rezoning and for stepping up to mandate that the horses are not allowed in a residential area.

## STAFF REPORT – CITY OF SHREVEPORT

DECEMBER 1, 2021

**AGENDA ITEM NUMBER: 7**

**MPC Staff Member: Austin Chen**

**City Council District: B/ LeVette Fuller**

**Parish Commission District: 6/Cawthorne**

**CASE NUMBER 21-154-C: ZONING REQUEST**

**APPLICANT:** CHEWEE BAKERY/NEW DIRECTION CENTER  
**OWNER:** Beverly Smith  
**LOCATION:** 1535 Hollywood Ave (Southside of Hollywood Ave., approx. 270' east of Linwood Ave)  
**EXISTING ZONING:** R-1-7  
**REQUEST:** R-1-7 to C-1  
**PROPOSED USE:** Specialty Food Service, Personal Services Establishment

---

**DESCRIPTION:** The applicant is requesting rezoning of a 0.37-acre tract of land from R-1-7 (Single-family Residential) to C-1 (Neighborhood Commercial) for Specialty Food Service and Personal Services Establishment. There is an existing approximately 1,627 sq feet building on site. Adjacent to the West, South, and East are zoned R-1-7. Across Hollywood Ave is zoned C-1.

There is no previous case associated with this property. Nearby relevant cases include: approval of rezoning from B-2 (Neighborhood Business; C-2 under UDC) & I-1 (Light Industrial) to B-3 for a pawn shop (C-37-09), MPC approval Used car sale in B-2 (C-23-96), MPC approval processing facility in I-2 (Heavy Industrial), MPC approval of R-1D-E (One- Family Residence - Extended Us) for a law office. denial for rezoning to B-2 (Neighborhood Business; C-2 under UDC) for a restaurant (C-28-00), denial for rezoning to B-3 (Community Business; C-3 under UDC) for B-3 development (C-105-86), and used car sales (C-44-87; C-82-86).

Nearby neighborhoods include: Caddo Heights, Cedar Grove, Hollywood, Pierremont, South Highland, St. Vincent, Sunset Acres, Werner Park, West Cedar Grove.

---

**REMARKS:** The applicant is requesting rezoning to C-1 for Specialty Food Service and Personal Services Establishment. The applicant will have a combined use of bakery, sandwich shop, and after-school teaching for children. The applicant has not decided whether to renovate the existing building or demolish it and build a new one onsite at this point. According to the applicant, there is a high probability that existing buildings will be used. C-1 is the lightest commercial zoning that can achieve the applicant's purpose.

As stated in Article 4.3 of the Unified Development Code (UDC), C-1 is defined as "The C-1 Neighborhood Commercial District is intended to accommodate local non-residential uses that predominantly serve the needs of the nearby residential neighborhoods and are similar in the character of the surrounding residential neighborhood. Residential dwelling units are allowed above the ground floor." The permitted by right uses in C-1 zoning district include Agriculture, Amusement

## STAFF REPORT – CITY OF SHREVEPORT

Facility – Indoor, Animal Shelter – Operated by Public Authority, Art Gallery, Arts Studio, Automated Teller Machine – Standalone, Bus Transfer Station, Community Center, Community Garden, Cultural Facility, Day Care Center, Dwelling – Above the Ground Floor, Educational Facility - Primary or Secondary, Financial Institution, Financial Institution with Drive-Through, Food Truck and Trailer Vendor, Government Office, Lodge/Meeting Hall, Medical/Dental Office, Office, Personal Service Establishment, Place of Worship, Public Park, Public Safety Facility, Restaurant, Retail Goods Establishment, Soup Kitchen, Soup Kitchen - Accessory, Specialty Food Service, Wireless Telecommunications – Attachments to Existing Structures (Other than Towers), Wireless Telecommunications – Modifications, Farmers' Market, Temporary Outdoor Events, Temporary Sale of Non-Seasonal Merchandise, and Temporary Seasonal Sales.

The subject property is in a large area of R-1-5 & R-1-7 single-family residential district and sits close to the large area of C-2 Corridor Commercial zoning. North of the subject property are large tracts of R-1-7 residential zoning and some C-2 commercial zoning. Several businesses near the subject property include restaurants, barbershops, tax services, and liquor & wine store. The subject property is on Hollywood Avenue, which is one of the city's heavily traveled thoroughfares. At the same time, the subject property is close to one of the interchanges of I-49. According to the UDC Article 4.3, C-1 Neighborhood Commercial District is intended to accommodate local non-residential uses that predominantly serve the needs of the nearby residential neighborhoods and are similar in the character of the surrounding residential neighborhood. A bakery, sandwich shop, and after-school teaching for children could be considered consistent with the UDC and serve the needs of the nearby residential neighborhood. All the possible C-1 uses are compatible with what exists in the area. Therefore, approval of rezoning to C-1 would not introduce incompatible uses into the area.

There is a vacant single-family residence building between the subject property and the commercial area at the corner of Hollywood Ave and Linwood Ave. The building is in a dangerous condition with a city posted notice on it. Therefore, to some extent, it can be considered a vacant space. The applicant will have to provide the standard residential landscape buffer and screening if the rezoning is approved. This will assist in minimizing the potential negative impact that the proposed uses will have on adjacent residential properties.

Regarding the future land use of this site, the Future Land Use Map of the 2030 Great Expectation Master Plan shows the subject property is zoned Residential Medium. The C-1 Neighborhood Commercial District would not be consistent with the intentions of the Master Plan. However, the proposed uses of the property are community-friendly, and the applicant got support from the local community. Therefore, approval of rezoning to C-1 would not introduce incompatible uses into the area.

Per UDC requirements, the applicant hosted a neighborhood participation meeting at 4:00 PM on November 6, 2021, to present their proposed operation to interested parties. There were 25 persons in attendance expressing interest in the project. One of the neighbors stated on the comment card that they are willing to help the applicant move into the property if needed. Considering the area's

population density, 25 signatures and the neighbor's comments demonstrate that the applicant's project is welcomed in the neighborhood.

Field observations were made on December 12 that revealed the overall density of nearby residential areas is low, and there were several abandoned buildings observed near the subject site, most of residential. The gap residential house is in a dangerous and vacant condition. The subject property itself is semi-abandoned. A renovation will benefit the local community, and the service provided by the applicant is exceedingly community-friendly. In conclusion, a community friendly business will fit in and serve the needs of neighborhood. The applicant's investment will also make the community more dynamic.

### STAFF

**ASSESSMENT:** Based on the information contained in the application, and analysis of the facts of record, MPC Staff concludes that approval of R-1-7 (Single-family Residential) to C-1 (Neighborhood Commercial) is warranted, due to compatibility with the surrounding area.

Alternatively, based on information provided at the public hearing the MPC may:

1. Approve the rezoning request for a different zoning type.
2. Deny the zoning request.

**PUBLIC ASSESSMENT:** There was no opposition present.

### MPC BOARD

**RECOMMENDATION:** The Board voted 9-0 to recommend this application for approval.

*draft*

**Opposition:**

Carol Alan Berry 2002 Southern Avenue, Shreveport, LA 71104

Mr. Berry stated he is not necessarily for or against the application, he further explained her would like a little bit more clarification about what is intended. He shared that his residence is the C-3 block directly to the south of the proposed location requesting to be rezoned. He stated he spoke with the owner who indicated he's going to put a parking lot there, but he also visited with the gentleman who was present at the site last week to do a survey. He stated that it was his understanding that the property is for sale again.

Mr. Jean stated from his understanding this was to be a part of the operation that is already there. He further explained the exact plans for the development is unknown, but he knows that parking was talked about. He reiterated as far as what exactly is happening on there, he is not sure other than is would be in support of the already existing business.

**Rebuttal:**

Ms. Torres stated the lot is for added parking for the roofing company.

Mr. Robertson wondered if it would be appropriate to delay the application to allow the applicant to be present in person.

Ms. Torres stated Mr. Charles would be back in town December 27<sup>th</sup> so if the Board members wanted to do it next month.

Ms. Neubert inquired if it was a requirement.

Mr. Andrews replied, no.

Mr. Clarke stated he would submit to Mr. Andrews unless the Board has serious doubts or serious concerns or questions that can not be answered by the representatives there may not be a need to delay deciding today. He stated he does not know anything else the Board could instruct the staff to do.

Mr. Robertson stated he would like a little bit of clarification from staff as to what the requested rezoning will permit.

Mr. Jean stated that all of the uses are listed in the staff report, but if Mr. Robertson would like for him to read them out for the record he will do so.

Mr. Robertson stated he will not make Mr. Jean do that, but he inquired about if the decision made by the commission today doesn't tie the applicant to a parking lot. He stated any of these uses that the Board is granting today could be constructed on the vacant lot.

Mr. Jean stated that is correct and further explained they would have to go through a site plan process. He clarified that this is not a conditional use permit nor a special use permit, this is a zoning request.

**A motion was made by MS. NEUBERT, seconded by MS. JACKSON To recommend this application for approval.**

**The motion was adopted by the following 9-0 vote: Ayes: Messrs. ANDREWS, BALDERAS, ELBERSON, JOSEPH, MORTON, ROBERTSON, & SATER and Mses. JACKSON & NEUBERT Nays: NONE. Absent: NONE**

## STAFF REPORT – CITY OF SHREVEPORT

DECEMBER 1, 2021

**AGENDA ITEM NUMBER: 8**  
**MPC Staff Member:** Austin Chen  
**City Council District:** B/ LeVette Fuller  
**Parish Commission District:** 5/Burrell

**CASE NUMBER** 21-183-C: **ZONING REQUEST**  
**APPLICANT:** VENTURE ONE, LLC  
**OWNER:** Venture One, LLC  
**LOCATION:** 0 Southern Ave (West side of Southern Ave., approx. 220' north of Olive St.)  
**EXISTING ZONING:** R-A  
**REQUEST:** R-A to I-1  
**PROPOSED USE:** Heavy Retail, Rental, and Service

---

**DESCRIPTION:** The applicant is requesting rezoning of a 0.71-acre tract of vacant land from R-A (Rural-Agricultural) to I-1 (Light Industrial) for Heavy Retail, Rental, and Service. Adjacent to the North is zoned I-1, adjacent to the South is zoned C-3 (General Commercial), adjacent to the West is the railroad. Across the Southern Ave is zoned C-UC (Urban Corridor).

There is no previous case associated with this property. Nearby relevant cases include: approval of rezoning to B-3 (Community Business; C-3 under UDC) for a Machine sales and service (C-38-82) and martial arts classes (C-178-83). Approval of rezoning to B-3-L-2 (Community Business with liquor sales) for a restaurant and lounge (C-123-80). MPC approval of rezoning to B-3 for a restaurant (C-17-02). Approval of rezoning to B-3-L for a restaurant with liquor sales (C-60-82).

Nearby neighborhoods include: Allendale, Central Business District, Fairfield, Highland, Ingleside, Ledbetter Heights, Queensborough, St. Vincent.

---

**REMARKS:** The applicant is requesting rezoning to I-1 (Light Industrial) for Heavy Retail, Rental, and Service. The applicant purchased this property from the railroad company; the property did not have any assigned zoning at the moment. According to the UDC code 3.2.A.2, it states "Any land lying within the City of Shreveport, but not shown on the Official Zoning Map as being included within a zoning district, is classified as the R-A District". Therefore, the default zoning for the land which the applicant purchased is zoned R-A. The applicant owns the north adjacent property, and it is a roofing supplies sales company with I-1 zoning; the applicant plans to extend his business to this newly purchased lot after rezoning.

As stated in Article 4.5 of the Unified Development Code (UDC), I-1 is defined as " The purpose of the I-1 Light Industrial Zoning District is to provide for a wide variety of light manufacturing, fabricating, processing, wholesale distributing, and warehousing uses. Light industrial uses are enclosed, low-intensity, non-nuisance light fabrication and assembly-type manufacturing, as well as office and research and development facilities with little to no outside impacts". ## STAFF REPORT – CITY OF SHREVEPORT

right uses in I-1 zoning district include Agriculture, Animal Care Facility, Animal Shelter, Animal Shelter – Operated by Public Authority, Automated Teller Machine - Standalone, Bar, Brewery, Broadcasting Facility TV/Radio - With Antennae, Broadcasting Facility TV/Radio - Without Antennae, Bus Transfer Station, Car Wash, Community Garden, Contractor Office, Day Care Center, Distillery, Financial Institution, Food Truck and Trailer Vendor, Freight Terminal, Furniture, Furnishings and Equipment Sales, Gas Station, Government Office, Greenhouse/Nursery - Retail, Heavy Retail, Rental, and Service, Industrial - Artisan , Industrial - Light, Industrial Design, Industrial Services, Lodge/Meeting Hall, Movie Studio, Office, Parking Lot (Principal Use), Parking Structure (Principal Use), Personal Service Establishment, Public Safety Facility, Public Works Facility, Research and Development, Restaurant , Retail Goods Establishment , Self-Service Ice Vending Unit, Self-Storage Facility: Climate-Controlled, Self-Storage Facility: Outdoor, Solar Farm , Retail Sales of Alcohol-Beer/Wine, Soup Kitchen, Specialty Food Service, Storage Yard - Outdoor, Truck Repair, Truck Stop, Utility, Vehicle Dealership – Enclosed, Vehicle Dealership – With Outdoor Storage/Display, Vehicle Operation Facility, Vehicle Repair/Service– Major, Vehicle Repair/Service – Minor , Warehouse, Wholesale Establishment , Winery, Wireless Telecommunications – Attachments to Existing Structures (Other than Towers), Wireless Telecommunications – Modifications , Temporary Outdoor Events, Temporary Sale of Non-Seasonal Merchandise, and Temporary Seasonal Sales.

The subject property is in a large area of a mixed area. North of the subject property are large tracts of C-3 General Commercial zoning, and across the Southern Ave are large tracts of C-UC. Several businesses near the subject property include a medical office, pediatric clinic, auto repair shops, and a hospital. All the possible I-1 uses are compatible with what exists in the area. Therefore, approval of rezoning to I-1 would not introduce incompatible uses into the area.

Regarding the future land use of this site, the Future Land Use Map of the 2030 Great Expectation Master Plan shows the subject property is zoned Light Industrial/Business Park. The I-1 (Light Industrial) Neighborhood Commercial District would be consistent with the intentions of the Master Plan.

Field observations revealed on December 12; the subject property is still undeveloped. The applicant's north exiting business is running nice and clean without any unpleasant noise and smell. The subject property is flat and suitable for expansion. The traffic is relatively low in this area. Most of the surrounding businesses are still operating. Considering the applicant's existing company and surrounding area, approval of rezoning to I-1 would not introduce incompatible uses into the area.

### STAFF ASSESSMENT:

Based on the information contained in the application, and analysis of the facts of record, MPC Staff concludes that approval of R-A (Rural-Agricultural) to I-1 (Light Industrial) is warranted, due to the compatibility with the surrounding area.

Alternatively, based on information provided at the public hearing the MPC may:

Dedremus Norris 2103 David Raines Road, Shreveport, LA 71107

Mr. Norris stated he was trying to put a thrift store up, selling liquidation products from offline and everything else from Amazon Prime liquidation palettes. He stated you name it; he will have it.

*draft*

Ms. Neubert asked if Mr. Norris anticipated that one of the products that he will be offering would be school clothes for children in the area.

Mr. Norris replied yes.

Ms. Jackson inquired about some examples of some of the things Mr. Norris will be selling.

Mr. Norris stated the products will be from the liquidation palettes, there are stack of microwaves from any kind of household good, non-breakable wears, housing decorations and pretty much a little bit of everything.

Mr. Morton inquired about the current size of the building and if Mr. Norris planned to do any kind of remodeling, expansion.

Mr. Norris stated he planned 40x60 or 30x50 size building.

Mr. Morton asked if he had plans to demolish the current building and rebuild.

Mr. Norris stated he already has. He shared it will be fully insulated with AC and restrooms.

Mr. Clarke shared as discussed previously, staff could not recommend to the Board to approve this spot zoning, C-1, in the middle of the R-1-5 in the area on David Raines, but the staff did suggest that it is a possibility that a SPUD could be proposed by the applicant. He explained it would retain the base zoning, R-1-5, but allow him to only do the thrift shop that he is proposing to do. He stated that would require that this case to be deferred and continued today. Mr. Clarke shared the staff would have to sit down with the applicant to determine some amenities that would be required in order to transform this site from residential to commercial site. He shared that the staff revisited records of the neighborhood participation planned meeting and initially he was under the impression that four people attended the meeting, when in fact 40 people attended and 40 citizens have shown an interest that done properly that this use could be beneficial to the area.

Mr. Andrews inquired about Mr. Norris having any problems with deferring and continuing to give him an opportunity to sit with staff.

Mr. Norris replied no sir.

**Opposition:**

There was no opposition present.

**A motion was made by MS. NEUBERT, seconded by MR. ROBERTSON To recommend this application for approval.**

### CASE NUMBER 21-185-C: ZONING REQUEST

**APPLICANT:** A & E THRIFT  
**OWNER:** A & E Thrift  
**LOCATION:** 2103 David Raines Road (NE corner of David Raines Rd. and Willis St.)  
**EXISTING ZONING:** R-1-5  
**REQUEST:** R-1-5 to C-1  
**PROPOSED USE:** Retail Goods Establishment

---

**DESCRIPTION:** The applicant is requesting approval to rezone approximately 0.32-acres from R-1-5 (Single-Family Residential) to C-1 (Neighborhood Commercial) to allow a thrift store, defined as a retail goods establishment within the Unified Development Code, to be allowed within the property. The property is surrounded to the north, west and south across Willis St. by existing R-1-5, while to the west across David Raines Rd. is property zoned IC (Institutional Campus).

There are no relevant cases associated with the subject property, there are several relevant cases associated with nearby properties; C-116-81 granted rezoning approval from R-A (Residential Agricultural) to B-3 (General Commercial) for a residence and garage. C-109-84 granted rezoning approval from R-A to I-2 for a warehouse, C-7-01 granted approval from R-1H (Single-Family Residential) to B-3 for a church, and C-70-13 granted Planned Business Group approval in a B-2 for retail sales of tires.

Nearby neighborhoods include: Lakeview, Martin Luther King, North Highland, West Cooper Road

---

**REMARKS:** A rezoning of the property from R-1-5 to C-1 is requested for the purpose of allowing a retail goods establishment by right. The site in question has been sitting vacant as a residential property for several years.

As stated in Article 4.3 of the Unified Development Code (UDC), C-1 is defined as "The C-1 Neighborhood Commercial District is intended to accommodate local non-residential uses that predominantly serve the needs of the nearby residential neighborhoods and are similar in character of the surrounding residential neighborhood. Residential dwelling units are allowed above the ground floor." The permitted by right uses in R-MHS zoning district include Agriculture, Amusement Facility – Indoor, Animal Shelter – Operated by Public Authority, Art Gallery, Arts Studio, Automated Teller Machine – Standalone, Bus Transfer Station, Community Center, Community Garden, Cultural Facility, Day Care Center, Dwelling – Above the Ground Floor, Educational Facility - Primary or Secondary, Financial Institution, Financial Institution with Drive-Through, Food Truck and Trailer

## STAFF REPORT – CITY OF SHREVEPORT

Vendor, Government Office, Lodge/Meeting Hall, Medical/Dental Office, Office, Personal Service Establishment, Place of Worship, Public Park, Public Safety Facility, Restaurant, Retail Goods Establishment, Soup Kitchen, Soup Kitchen - Accessory, Specialty Food Service, Wireless Telecommunications – Attachments to Existing Structures (Other than Towers), Wireless Telecommunications – Modifications, Farmers' Market, Temporary Outdoor Events, Temporary Sale of Non-Seasonal Merchandise, and Temporary Seasonal Sales.

Regarding the Master Plan vision, the Future Land Use Map of the 2030 Great Expectations Master Plan shows the site in question sitting at a corner with "Residential Medium" being projected along Willis Street, and "Institutional" going north-to-south along David Raines Road. A rezoning to commercial would not be keeping in line with the Master Plan vision and would be converting existing residential property into commercial. While this is not unprecedented for the surrounding area, the existing commercial found to the south of the subject property concentrates along Dr Martin Luther King Drive, creating a commercial corridor away from the proposed subject property.

While the area to the south of the subject property along Dr. Martin Luther King Jr Drive has built itself up in recent years a commercial corridor, the subject property would be pushing the commercial further into the predominately residential area that is currently existing. While the argument can be made that the applicant would be converting a currently vacant property into a commercial business, the threat to the existing residents of their almost entirely residential neighborhoods is too large of a potentially negative impact for the rezoning to be considered good land use practice.

Per UDC requirements, the applicant hosted a neighborhood participation meeting on November 9th at 4 PM. There was a total of 4 participants, and the applicant has stated many of the questions involved what kind of development would be going in should the rezoning be approved as well as what he planned on doing with the existing structure on site. The applicant has stated no one seemed opposed to the project, and the office of the MPC has received no calls regarding this project at this time.

A site visit was conducted by MPC staff to in order to assess current site conditions as well as the surrounding area. The site in question was found to be undeveloped, retaining many of the characteristics seen in similar undeveloped property in the area.

---

### STAFF

**ASSESSMENT:** Based on the information contained in the application, and analysis of the facts of record, MPC Staff concludes that denial of the rezoning request from R-1-5 (Single-Family Residential) to C-1 (Neighborhood Commercial) is warranted, due to the potential negative impact commercial zoning would have on the surrounding residential area.

**Alternatively, based on public comment the MPC Board may:**

1. Vote to approve the rezoning application.
