Dear Chief Wayne Smith,

Chief Smith I am writing this letter to request some of the K9 SUVs that you are looking to retire, I am starting back up the K9 unit here in Olla, LA that the previous Chief Gary Taylor started back in the 90's that ended when he retired in 2003. After his passing I started a scholarship in his name and have started back up the program that was his and Bubba Husbeths legacy in not only LaSalle Parish but Central Louisiana. I am retiring our three 2006 Crown Victorias due to them having over 200k miles and constant breakdowns that put my officers out of service until I can bring them my unit to use for the remainder of their shift. I already have two fully certified dogs, one officer fully certified in handling the dogs, I am in the process of being fully trained and certified in handling both, and I am looking at sending one of my other officers to being trained and certified to handle one of the dogs in our absence. I am asking that when you decide to retire the units that you keep us in Olla, LA in mind because we could use three units that are already equipped as a K9 unit for our daily use. From what I was told they are older Tahoes and I am a GM certified mechanic with a fully stocked shop that I can personally do all of the maintenance on and a large stock of parts that will fit any Tahoe that body style, including some police equipment that will fit them from my previous department since they were going to throw it all away. If you have any questions or need anything in the future down this way please feel free to contact me via e-mail, phone at my office, or contact me by my cellphone at (318) 614-8886. Thank you for taking the time to read this letter and for any assistance.

BACKGROUND INFORMATION

In the 1970's, local public trusts were established in parishes and municipalities throughout the State of Louisiana to improve communities by increasing access to quality affordable housing and home ownership. Louisiana's Local Public Trust Law authorizes the creation of these trusts and allows each trust to select a parish or municipality as its beneficiary. In 1978, a group of local Shreveport residents established the Shreveport Home Mortgage Authority ("SHMA") local public trust and selected the City of Shreveport as its beneficiary.

Over the last 40 years, two major developments occurred. First, because of changes in federal laws and financial markets, some of the tools utilized by local public trusts to increase affordable housing and promote home ownership became obsolete. Second, it became the generally accepted belief that economic growth and access to common community resources, such as grocery stores and pharmacies, were critical to creating thriving neighborhoods. As a result, the state legislature amended Louisiana's Local Public Trust Law providing local public trusts the ability to modernize to address these new realities. This month the trustees of the SHMA unanimously adopted (with one member absent) Amendment No. 5 to its trust indenture to modernize the SHMA and bring it in line with other local public trusts around the State.

This amendment makes the following critical changes:

1. Allows for a more holistic approach to building healthy neighborhoods by allowing the trust to facilitate financing for quality affordable housing and home ownership, as well as financing the community and economic development necessary to provide upward mobility and wealth generation for residents.
2. Changes the name of the trust to the Northwest Louisiana Finance Authority. This name change is in line with similar name changes adopted by other local public trusts throughout the state. This new name better reflects the trust's holistic mission of increasing access to quality affordable housing and home ownership while also strengthening the economic viability of local communities. This name change **does not** affect the City of Shreveport's status as the beneficiary of the trust.

RESOLUTION NO. _____ OF 2022

**A RESOLUTION STATING THE CITY OF
SHREVEPORT'S APPROVAL OF AMENDMENT NO. 5
TO THE TRUST INDENTURE OF THE SHREVEPORT
HOME MORTGAGE AUTHORITY AND
TO OTHERWISE PROVIDE WITH RESPECT THERETO**

WHEREAS, in 1978, in an effort to increase access to quality affordable housing and promote home ownership, a group of local Shreveport residents established the Shreveport Home Mortgage Authority ("**SHMA**") as a local public trust in accordance with La. R.S. 9:2341 et seq., as amended (the "**Louisiana Public Trust Law**") and selected the City of Shreveport as its beneficiary; and

WHEREAS, in establishing the SHMA trust, the trustees adopted a trust indenture (the "**Indenture**") that serves as the governing document under which the trust operates; and

WHEREAS, over the last forty (40) years, the Indenture has become outdated and does not address the utilization of tools commonly employed by local public trusts throughout the state to increase access to affordable quality housing, promote home ownership, and facilitate community and economic development essential to the survival and growth of vibrant neighborhoods; and

WHEREAS, on July 12, 2022, trustees of the SHMA adopted, without opposition, Amendment No. 5 to its Trust Indenture for the purpose of modernizing the SHMA's Indenture and bringing it in line with other local public trusts operating around the State; and

WHEREAS, while a local public trust is independent of its beneficiary in its decision making and operations, it must operate for the benefit of its beneficiary and its beneficiary's citizens and businesses, and as such, the Louisiana Public Trust Law requires that the beneficiary approve any amendments to the trust indenture of a local public trust; and

WHEREAS, it is found and determined that the approval of the aforementioned Amendment No. 5 to the SHMA Indenture will result in the modernization of the SHMA, allowing it to better meet its objectives for the benefit of the City of Shreveport; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Shreveport that:

Section 1. The foregoing whereas clauses are hereby adopted as set forth in the preamble to this Resolution; and

Section 2. The City Council does hereby approve Amendment No. 5 to the SHMA Indenture as set forth in the resolution of the Shreveport Home Mortgage Authority dated July 12, 2022, and attached hereto as Exhibit A; and

Section 3. If any one or more of the provisions of this Resolution shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provision of this

Resolution, but this Resolution shall be construed and enforced as if such illegal or invalid provisions had not been contained herein. Any constitutional or statutory provision enacted after the date of this Resolution which validates or makes legal any provision of this Resolution which would not otherwise be valid or legal, shall be deemed to apply to this Resolution; and

Section 4. This Resolution shall immediately take effect upon adoption; and

Section 5 – That all Resolutions or parts thereof in conflict herewith are hereby repealed.

3. **Administrative Approval.** A Short-Term Rental Permit ‘Type B-1’ may be approved administratively by the Zoning Administrator if the total number of allowable overnight guests of the proposed short-term rental does not exceed ten (10) adults, nor does the proposed short-term rental property require special exception use approval due to distance requirements.

4. Special Exception Use Approval

A Short-Term Rental Permit ‘Type B-2’ may only be allowed as a special exception use, and requires review and approval by the Zoning Board of Appeals per the requirements of Section 16.6 when:

- a. **Number of Overnight Guests.** The host of a short-term rental property requests the total number of allowable overnight guests to exceed ten (10) adults.
- b. **Distance Requirements.** The proposed STR property is located closer than 500 feet from an approved Short-Term Rental Permit ‘Type B-1’ or ‘Type B-2’ property, as measured from a point of the lot line on which the STR is proposed to be located to the nearest point on the lot line on which an approved STR is located.  - i. **Exceptions.** Only ‘Type B-2’ permit applications have STR distance requirements. A Short-Term Rental Permit ‘Type A’ application is not subject to any distance requirement under this Code, nor will any approved Short-Term Rental Permit ‘Type A’ property trigger any distance requirements for a proposed Short-Term Rental Permit ‘Type B-1’ or ‘Type B-2.’
 - ii. **Exemptions.** Short-Term Rental Permit ‘Type A’ and ‘Type B-1’ applications located within the D-1 Zoning District are exempt from any distance requirements for short-term rentals. - c. **Waiver of Special Exception Use Approval.**
 - i. The Executive Director, or his/her designee, may waive the need for special exception approval if he or she finds that the location, distance, anticipated impacts, proximity within the neighborhood, and/or other factors associated with the proposed short-term rental clearly, in his or her opinion, supports such a waiver.
 - ii. The Executive Director will evaluate each application on a case-by-case basis and decide accordingly.
 - iii. Waivers are not allowed for the total number of allowable overnight guests exceeding ten (10) adults.

RECOMMENDED UDC CODE TEXT AMENDMENTS. 22-8-CTA.

The City of Shreveport Unified Development Code (UDC) undergoes regular review to ensure that the Code promotes sound, stable, and desirable development to correct errors in the text or to accommodate changed or changing conditions in a particular area. Periodically, revisions are required to reflect the changing nature of business in our community. These proposed amendments will be intended to be more user-friendly, concerning Short-term Rental within the City.

Staff is requesting the Shreveport UDC be amended as follows: ~~strikeout~~ indicates deleted text, underline indicates added text].

1. Amend "Short-Term Rental, 'Type B'" in ARTICLE 23. SHORT-TERM RENTAL PROPERTY, SECTION 23.5 PERMIT TYPES AND USE STANDARDS, Subsection 23.5.B in the Shreveport UDC to now read as follows.

23.5 PERMIT TYPES AND USE STANDARD

* * * * *

B. Short-Term Rental, 'Type B'

* * * * *

3. **Administrative Approval.** A Short-Term Rental Permit 'Type B-1' may be approved administratively by the Zoning Administrator if the total number of allowable overnight guests of the proposed short-term rental does not exceed ten (10) adults, nor does the proposed short-term rental property require special exception use approval due to distance requirements.
4. **Special Exception Use Approval**

A Short-Term Rental Permit 'Type B-2' may only be allowed as a special exception use, and requires review and approval by the Zoning Board of Appeals per the requirements of Section 16.6 when:

- a. **Number of Overnight Guests.** The host of a short-term rental property requests the total number of allowable overnight guests to exceed ten (10) adults.
- ~~b. **Distance Requirements.** Except in the D-1 district, approved short-term rental properties must be located no closer than 500 feet from any other existing short-term rental property, as measured from a point of the lot line on which such use is proposed to be located to the nearest point on the lot line on which any other of the same user is located. If any short-term rental property wishes to locate closer than the 500-foot minimum distance from any legally existing short-term rental property, a special exception use approval is required.~~
- b. **Distance Requirements.** The proposed STR property is located closer than 500 feet from an approved Short-Term Rental Permit 'Type B-1' or 'Type B-2' property, as measured from a point of the lot line on which the STR is proposed to be located to the nearest point on the lot line on which an approved STR is located. Any proposed STR which is closer than 500 feet from an approved 'Type B-1' or 'Type B-2' STR property shall first receive special exception use approval prior to any STR permit approval by the Zoning Administrator.
- i. **Exceptions.** Only 'Type B-2' permit applications have STR distance requirements. A Short-Term Rental Permit 'Type A' application is not subject to any distance requirement under this Code, nor will any approved Short-Term Rental Permit 'Type A' property trigger any distance requirements for a proposed Short-Term Rental Permit 'Type B-1' or 'Type B-2.'
- ii. **Exemptions.** Short-Term Rental Permit 'Type A' and 'Type B-1' applications located within the D-1 Zoning District are exempt from any distance requirements for short-term rentals. However, any proposed short-term rental property located within any zoning district, and requests the total number of allowable overnight guests to exceed ten (10) adults, requires special exception use approval.
- c. **Waiver of Special Exception Use Approval.**
 - i. The Executive Director, or his/her designee, may waive the need for special exception approval if he or she finds that the location, distance, anticipated impacts, proximity within the neighborhood, and/or other factors associated with the proposed short-term rental clearly, in his or her opinion, supports such a waiver.
 - ii. The Executive Director will evaluate each application on a case-by-case basis and decide accordingly.
 - iii. Waivers are not allowed for the total number of allowable overnight guests exceeding ten (10) adults.

* * * * *

Explanation: *Currently, if a new STR is proposed, and an approved STR is operating within 500' of the proposed STR, prior to the approval of the proposed STR application, a Special Exception Use is required by the ZBA. This amendment only requires Type B-1 and B-2 permits from that distance standard. 'Type A' Permits would be exempt. Note, STR's located within the D-1 Zoning District are exempt from the distance requirements; however, STR's requesting 11 or more guests, regardless of location, would require special exception use approval.*

STAFF REPORT – CITY OF SHREVEPORT

AUGUST 3, 2022

AGENDA ITEM NUMBER: 11

MPC Staff Member: Adam Bailey

City Council District: All Districts

Parish Commission District: All Districts

CASE NUMBER: 22-8-CTAC: City of Shreveport Code-Text Amendments
APPLICANT: METROPOLITAN PLANNING COMMISSION
REQUEST: **Code Text (Ordinance) Amendments to the Shreveport UDC**

DESCRIPTION: The City of Shreveport Unified Development Code (UDC) undergoes regular review to ensure that the Code promotes sound, stable, and desirable development. Periodically, revisions are required to correct errors in the text or to accommodate changed or the changing nature of business in our community. These amendments will affect the following articles, or portions thereof: *Article 23. – Short-Term Rental Property*, revising the buffer requirements for short-term rental properties, with all their provisions included therein.

STAFF ANALYSIS: Code text amendment changes may be reviewed at any time and are not subject to any annual review requirements. The Office of the MPC typically reviews code amendments updates annually or semi-annually, to accommodate changed or the changing nature of business in our community.

In response to an emergence of the rental of dwelling units on a short term basis, the increase in websites facilitating short term rentals, and concerns from citizens regarding the impacts they have on the character of existing neighborhoods, MPC staff studied the existing regulations to address the issue on whether or not a special exception use was required and, if so, should there be some sort of waiver. Staff has made several presentations in an effort to share information and receive guidance from on how they envision the waiver should be drafted. Based on research, staff guidance and public input, MPC staff has drafted the attached amendment for review.

Elements of the draft Short Term Rental Ordinance include the following:

- Redefines Short-Term Rental 'Type B-1' language;
- States that 'Type A' permits are not to be included in distance requirements for Type B-2 permits; and
- Creates a waiver for 'Type B-2' permits, on a case-by-case basis, by the Executive Director.

Proposed changes in this report were discussed at the August 2022 MPC work session. Following the MPC public hearing on August 3, 2022, the Shreveport City Council will review the proposals at the August 9, 2022 and August 23, 2022 public hearing. MPC staff provided notice of the August 3, 2022 public hearing through publication in The Shreveport Times on July 19, 2022. No comments have been received to date.

**PROPOSED UDC CODE
TEXT AMENDMENT(S):**

Staff is proposing amending the following UDC Articles at this time:

- Amend *Article 23. – Short-Term Rental Property*

STAFF REPORT – CITY OF SHREVEPORT

Amendment 1. Amend “Short-Term Rental, ‘Type B’” in ARTICLE 23. SHORT-TERM RENTAL PROPERTY, SECTION 23.5 PERMIT TYPES AND USE STANDARDS, Subsection 23.5.B. Currently, if a new STR is proposed, and an approved STR is operating within 500’ of the proposed STR, prior to the approval of the proposed STR application, a Special Exception Use is required by the ZBA. This amendment only requires Type B-1 and B-2 permits from that distance standard. ‘Type A’ Permits would be exempt. Note, STR’s located within the D-1 Zoning District are exempt from the distance requirements; however, STR’s requesting 11 or more guests, regardless of location, would require special exception use approval.

ATTACHMENTS: See Exhibit “A” for memorandum describing these amendments in full detail.

APPROVAL STANDARDS: The purpose of Section 16.1.E.1 is to provide a uniform means for amending the text of the Unified Development Code whenever the public necessity, convenience, general welfare, comprehensive plan, or appropriate land use practices justify or require doing so. In determining whether to recommend approval or denial of the proposed text amendment, the MPC shall weigh the relevance to which the proposed amendment:

- a. **Promotes the public health, safety, and welfare.**
The proposed text amendments promotes the public health, safety, and welfare.
 - b. **Promotes the Master Plan and any adopted land use policies.**
The proposed text amendment is consistent with the Master Plan.
 - c. **Promotes intent of this Code.**
This amendment will simplify current practices, thus promoting the intent of the Code.
 - d. **Corrects an error or omission, adds clarification to existing requirements, or reflects a change in policy.**
The proposed amendment reflects changes in policy.
 - e. **The extent to which the proposed amendment creates nonconformities.**
These amendments help alleviate nonconformities, not create them.
-

**STAFF
RECOMMENDATION:**

Based on staff analysis, review of the above standards and facts of record, MPC Staff concludes that the recommendation to APPROVE these code text amendments is warranted. If approved by City Council, Article 23 of the Shreveport UDC would be amended, as described within. A majority vote of the MPC Board members present and voting is required to recommend approval to the City Council.

Alternatively, based on information provided at the public hearing, the MPC Board may:

- (b) The Bonds issued under this Bond Ordinance shall be issued to advance refund the Refunded Bonds through the escrow of a portion of the proceeds of the Bonds along with funds on deposit, in accordance with the terms of the Escrow Agreement, in order to provide for payment of the principal of, premium, if any, and interest on the Refunded Bonds as they mature or upon earlier redemption as provided in Section 13.1 hereof, and to pay the Costs of Issuance.

On and after the Tax-Exempt Reissuance Date, if any, the Bonds may be reissued bearing Tax-Exempt Interest as further provided in Section 2.5 and Section 2.6 hereof.
- (d) Provision having been made for the orderly payment until maturity or earlier redemption of all the Refunded Bonds, in accordance with their terms, it is hereby recognized and acknowledged that as of the date of delivery of the Bonds under this Bond Ordinance, provision will have been made for the performance of all covenants and agreements of the Issuer incidental to the Refunded Bonds, and accordingly, and in compliance with all that is herein provided, the Issuer is expected to have no future obligation with reference to the aforesaid Refunded Bonds, except to assure that the funds so escrowed in accordance with the provisions of the Escrow Agreement, and the Refunded Bonds will be defeased pursuant to the terms of the ordinance of the Governing Authority which authorized their issuance.

SECTION 2.2. Bond Ordinance to Constitute Contract. In consideration of the purchase and acceptance of the Bonds by those who shall own the same from time to time, the provisions of this Bond Ordinance shall be a part of the contract of the Issuer with the Owners of the Bonds and shall be deemed to be and shall constitute a contract between the Issuer and the Owners from time to time of the Bonds. The provisions, covenants and agreements herein set forth to be performed by or on behalf of the Issuer shall be for the equal benefit, protection and security of the Owners of any and all of the Bonds, each of which Bonds, regardless of the time or times of its issue or maturity, shall be of equal rank without preference, priority or distinction over any other Bond or any of the other Unrefunded Prior Bonds.

SECTION 2.3. Obligation of Bonds. The Bonds and Unrefunded Prior Bonds shall be secured by and payable in principal, premium, if any, and interest solely from an irrevocable pledge and dedication of the Pledged Revenues. The Pledged Revenues are hereby irrevocably and irrepealably pledged and dedicated in an amount sufficient for payment of the Bonds in principal, premium, if any, and interest as they shall become due and payable, and for other purposes hereinafter set forth in this Bond Ordinance. All of the Pledged Revenues shall be set aside in a separate fund as hereinafter provided, and shall be and remain pledged for the security and prompt payment of the Bonds and Unrefunded Prior Bonds, in principal, premium, if any, and interest and for all other payments provided for in this Bond Ordinance until such Bonds and Unrefunded Prior Bonds shall have been fully paid and discharged.

SECTION 2.4. Authorization and Designation. Pursuant to the provisions of the Refunding Act, there is hereby authorized issuance of principal amount of Bonds to be designated "Taxable General Obligation Refunding Bonds, Series 2022 of the City of Shreveport, State of Louisiana," for the purpose of advance refunding the Refunded Bonds shall be in substantially the form set forth in **Exhibit "C-1"** and upon meeting the Reissuance Conditions, shall be in substantially the form set forth in **"Exhibit C-2"** hereto, with such

necessary or appropriate variations, omissions and insertions as are required or permitted by the Refunding Act and this Bond Ordinance.

SECTION 2.5. Denominations, Dates, Maturities and Interest. The Bonds shall be issued in a fully registered form, in Authorized Denominations corresponding to a principal amount that shall be numbered R-1, substantially in the form set forth in **Exhibit "C-1" and "C-2"**. The Bonds shall bear interest, payable on March 1 and September 1 of each year commencing March 1, 2023, calculated on the basis of a 360-day year consisting of twelve 30-day months, with interest accruing on the outstanding principal amount of the Bonds (i) for the period prior to the Tax-Exempt Reissuance Date, at the Taxable Interest Rate, and (ii) subject to the Reissuance Conditions being met, for the period on and after the Tax-Exempt Reissuance Date, at the Tax-Exempt Interest Rate.

Upon the occurrence of an Event of Default in Article IX hereof, the Bonds shall bear interest at the Default Rate during the time that such Event of Default continues to exist.

In the event of a Determination of Taxability, the interest rate on the Tax-Exempt Bonds shall be adjusted at the written direction of the Lender to the Taxable Adjusted Rate. In such event, the Issuer shall execute and deliver a substitute Bond to the Lender, which shall be duly authenticated by the Paying Agent. If the Taxable Adjusted Rate shall exceed the Statutory Maximum Rate for any period for which interest is payable, then (i) interest at the Statutory Maximum Rate shall be due and payable with respect to such interest period, and (ii) a fee in an amount rate equal to the difference between (A) the rate of interest calculated in accordance with the terms hereof and (B) the Statutory Maximum Rate (the "**Excess Fee**") shall be deferred until such date as the rate of interest calculated in accordance with the terms hereof ceases to exceed the Maximum Rate, at which time the Issuer shall pay to the Lender, such portion of the deferred Excess Fee as will cause the rate of interest on the outstanding principal amount of the Tax Exempt Bonds then paid to the Lender to equal the Statutory Maximum Rate. The payments of deferred Excess Fee shall continue to apply to such unpaid amounts hereunder until all deferred Excess Fee is fully paid to the Lender. The Excess Fee shall not be deemed to be an increase in the interest rate on the Tax-Exempt Bonds.

The principal and premium, if any, of the Bonds are payable in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts at the principal corporate trust office of the Paying Agent, upon presentation and surrender thereof. Interest on the Bonds is payable by check mailed on or before the Interest Payment Date by the Paying Agent to the Owner (determined as of the Record Date) at the address of such Owner as it appears on the registration books of the Paying Agent maintained for such purpose.

Except as otherwise provided in this Section, the Bonds shall bear interest from the date thereof or from the most recent Interest Payment Date to which interest has been paid or duly provided for, as the case may be, provided, however, that if and to the extent that the Issuer shall default in payment of interest on any Bonds due on any Interest Payment Date, then all such Bonds shall bear interest at their stated rate from the most recent Interest Payment Date to which interest has been paid on the Bonds, or if no interest has been paid on the Bonds, from their dated date.

The person in whose name any Bond is registered at the close of business on the Record Date with respect to an Interest Payment Date shall in all cases be entitled to receive the interest payable on such Interest Payment Date (unless such Bond has been called for redemption on a redemption date which is prior to such Interest Payment Date) notwithstanding cancellation of such Bond upon any registration of transfer or exchange thereof subsequent to such Record Date and prior to such Interest Payment Date.

Section 2.6. Tax-Exempt Reissuance Date.

The Bonds initially shall be issued bearing Taxable Interest. On the Tax-Exempt Reissuance Date, the Bonds may be reissued as Tax-Exempt Bonds; provided, however, that any such reissuance is subject to the Reissuance Conditions being satisfied; and provided further, that if the Bonds are not converted to Tax-Exempt Bonds on the Tax-Exempt Reissuance Date, the Bonds shall continue to bear Taxable Interest at the Taxable Interest Rate.

This Governing Authority hereby authorizes the reissuance of the Bonds contemplated by this Section 2.6 and hereby covenants to take such actions as it may deem appropriate or necessary in order to cause the Tax-Exempt Reissuance Date to occur, including, but not limited to execution of the 8038-G and the issuance of a new bond reflecting the tax-exempt status of such bond, but shall not be obligated to do so if the other Reissuance Conditions are not satisfied.

ARTICLE III

GENERAL TERMS AND PROVISIONS OF THE BONDS

SECTION 3.1. Exchange of the Bonds; Persons Treated as Owners. The Issuer shall cause books for the registration and for the registration of transfer of the Bonds as provided in this Bond Ordinance to be kept by the Paying Agent at its principal corporate trust office, and the Paying Agent is hereby constituted and appointed the registrar for the Bonds. At reasonable times and under reasonable regulations established by the Paying Agent said list may be inspected and copied by the Issuer, or by the Registered Owners (or a designated representative thereof) of 15% of the outstanding principal amount of the Bonds.

Upon surrender for registration of transfer of any Bond, the Paying Agent shall register and deliver in the name of the transferee or transferees one or more new fully registered Bonds of authorized denomination of the same maturity and like aggregate principal amount. At the option of the Owner, the Bonds may be exchanged for other Bonds of Authorized Denominations of the same maturity and like aggregate principal amount, upon surrender of the Bonds to be exchanged at the principal corporate trust office of the Paying Agent. Whenever any Bonds are so surrendered for exchange, the Paying Agent shall register and deliver in exchange therefor the Bond or Bonds which the Bondholder making the exchange shall be entitled to receive. All Bonds presented for registration of transfer or exchange shall be accompanied by a written instrument or instruments of transfer in form and with a guaranty of signature satisfactory to the Paying Agent, duly executed by the Owner or his attorney duly authorized in writing.

No service charge to the Owners shall be made by the Paying Agent for any exchange or registration of transfer of Bonds. The Paying Agent may require payment by the person

requesting an exchange or registration of transfer of the Bonds of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto. The Issuer and the Paying Agent shall not be required to issue, register the transfer of or exchange any Bond during a period beginning at the opening of business on the 1st calendar day of the month in which an Interest Payment is due, or any date of selection of the Bonds to be redeemed and ending at the close of business on the Interest Payment Date or day on which the applicable notice of redemption is given or (b) to register the transfer of or exchange any Bond so selected for redemption in whole or in part.

All Bonds delivered upon any registration of transfer or exchange of Bonds shall be valid obligations of the Issuer, evidencing the same debt and entitled to the same benefits under this Bond Ordinance as the Bonds surrendered. Prior to due presentment for registration of transfer of any Bond, the Issuer, and the Paying Agent, and any agent of the Issuer, or the Paying Agent may deem and treat the person in whose name any Bond is registered as the absolute owner thereof for all purposes, whether or not such Bond shall be overdue, and shall not be bound by any notice to the contrary.

SECTION 3.2. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated or be improperly canceled, or be destroyed, stolen or lost, the Governing Authority may in its discretion adopt a resolution and thereby authorize issuance and delivery of a new Bond in exchange for and substitution for such mutilated or improperly canceled Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, upon the Owner (i) furnishing the Issuer and the Paying Agent proof of his ownership thereof and proof of such mutilation, improper cancellation, destruction, theft or loss satisfactory to the Issuer and the Paying Agent, (ii) giving to the Issuer and the Paying Agent an indemnity bond in favor of the Issuer and the Paying Agent in such amount as the Issuer may reasonably require, (iii) compliance with such other reasonable regulations and conditions as the Issuer may prescribe and (iv) paying such expenses as the Issuer and the Paying Agent may incur. All Bonds so surrendered shall be delivered to the Paying Agent for cancellation pursuant to Section 3.4 hereof. If any Series Bond shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same, upon being indemnified as aforesaid, and if such Bond be lost, stolen or destroyed,

without surrender thereof any such duplicate Bond issued pursuant to this Section shall constitute an original, additional, contractual obligation on the part of the Issuer, whether or not the lost, stolen or destroyed Bond be at any time found by anyone. Such duplicate Bond shall be in all respects identical with those replaced except that it shall bear on its face the following additional clause:

"This Bond is issued to replace a lost, canceled or destroyed Bond under the authority of La. R.S. 39:971 through 39:974."

Such duplicate Bond may be signed by the facsimile signatures of the same officers who signed the original Bonds, provided, however, that in the event the officers who executed the original Bonds are no longer in office, then the new Bonds may be signed by the officers then in office. Such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien and source and security for payment as provided herein with respect to all other Bonds hereunder, the obligation of the Issuer upon the duplicate Bonds being identical to their obligations upon the original Bonds and the rights of the Owner of the duplicate Bonds being the same as those conferred by the original Bonds.

SECTION 3.3. Preparation of Definitive Bonds, Temporary Bonds. Until the definitive Bonds are prepared, the Issuer may execute, in the same manner as is provided in Section 3.5, and deliver, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds except as to the denominations, one or more temporary typewritten Bonds substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in Authorized Denominations, and with such omissions, insertions and variations as may be appropriate to temporary Bonds.

SECTION 3.4. Cancellation of the Bonds. All Bonds paid or redeemed either at or before maturity, together with all Bonds purchased by the Issuer, shall thereupon be promptly cancelled by the Paying Agent. The Paying Agent shall thereupon promptly furnish to the Authorized Representative of the Issuer an appropriate certificate of cancellation.

SECTION 3.5. Execution. The Bonds shall be executed in the name and on behalf of the Issuer by the manual or facsimile signatures of the Authorized Representative of the Issuer. In case any one or more of the officers who shall have signed any of the Bonds shall cease to be such officer before the Bonds so signed shall have been actually delivered, such Bonds may, nevertheless, be delivered as herein provided, and may be issued as if the person who signed such Bonds had not ceased to hold such office. Said officers shall, by the execution of the Bonds, adopt as and for their own proper signatures their respective facsimile signatures appearing on the Bonds or any legal opinion certificate thereon, and the Issuer may adopt and use for that purpose the facsimile signature of any person or persons who shall have been such officer at any time on or after the date of such Bond, notwithstanding that at the date of such Bond such person may not have held such office or that at the time when such Bond shall be delivered such person may have ceased to hold such office.

SECTION 3.6. Registration by Paying Agent. No Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Bond Ordinance unless and until a certificate of registration on such Bond substantially in the form set forth in **Exhibit "C"** attached hereto shall have been duly executed on behalf of the Paying Agent by a duly authorized signatory, and such executed certificate of the Paying Agent upon any such Bond shall be conclusive evidence that such Bond has been executed, registered and delivered under this Bond Ordinance.

SECTION 3.7. Regularity of Proceedings. The Issuer, having investigated the regularity of the proceedings had in connection with issuance of the Bonds, and having determined the same to be regular, each of the Bonds shall contain the following recital, to-wit:

"It is certified that this Bond is authorized by and is issued in conformity with the requirements of the Constitution and statutes of the State of Louisiana."

ARTICLE IV

PAYMENT OF THE BONDS; DISPOSITION OF FUNDS

SECTION 4.1. Deposit of Funds with Paying Agent. The Issuer covenants that it will deposit or cause to be deposited with the Paying Agent from the moneys derived from collection of the Pledged Revenues or other funds available for such purpose, at least five (5) Business Days in advance of the date on which payment of principal, premium, if any, and/or interest falls due on the Bonds, funds fully sufficient to pay promptly the principal, premium, if any, and interest so falling due on such date.

SECTION 4.2. Issuer's Obligated to Collect Ad Valorem Taxes. In compliance with the laws of the State, the Issuer, through this Governing Authority, by proper resolutions and/or ordinances is obligated to cause the *ad valorem* taxes to continue to be assessed, levied and collected for the full period of their authorization or until all of the Bonds have been retired as to both principal and interest, or provision therefor has been made in accordance with the provisions of Section 11.1 hereof, and further the Issuer shall not discontinue or terminate or permit to be discontinued or terminated the *ad valorem* taxes in anticipation of the collection of which the Bonds have been issued, nor in any way make any change which would adversely affect the amount of the Pledged Revenues to be received by the Issuer until all of the Bonds have been retired as to both principal and interest, or provision therefor has been made in accordance with the provisions of Section 11.1 hereof.

SECTION 4.3. Funds and Accounts. In order that principal of and interest on the Bonds will be paid in accordance with their terms and for the other objects and purposes hereinafter provided, the Issuer further covenants as follows: All avails or proceeds of the *ad valorem* taxes constituting Pledged Revenues shall be deposited as the same may be collected to the credit of the Issuer, in a separate and special bank account established and maintained with the regularly designated fiscal agent of the Issuer and designated "City of Shreveport, Series 2022 General Obligation Refunding Bonds Debt Service Fund". Funds on deposit in the Debt Service Fund shall constitute dedicated funds of the Issuer, from which appropriations and expenditures by the Issuer shall be made solely for the purposes of paying the principal of,

interest on, and redemption premium, if any, of the Bonds. Said fiscal agent shall transfer from said Debt Service Fund to the paying agent bank or banks for all Bonds payable from said fund, at least five (5) Business Days in advance of each Interest Payment Date, funds fully sufficient to pay promptly the principal and interest so falling due on such date.

All or any part of the moneys in the Debt Service Fund shall, at the written request of the Issuer, be invested in Qualified Investments, provided that Bond proceeds representing accrued interest, if any, shall be invested in Government Securities, maturing prior to the first interest payment date of the respective issues of bonds as herein provided. All income derived from such investments shall be added to the applicable Debt Service Fund, and such investments shall, to the extent at any time necessary, be liquidated and the proceeds thereof applied to the purposes for which the Debt Service Fund is herein created.

SECTION 4.4. Funds to Constitute Trust Funds. The Debt Service Fund provided for in Section 4.3 hereof shall be and constitute a trust fund for the purposes provided in this Bond Ordinance, and the Owners of Bonds issued pursuant to this Bond Ordinance are hereby granted a lien on all such funds until applied in the manner provided herein. The moneys in such fund shall at all times be secured to the full extent thereof by the bank or trust company holding such funds in the manner required by the laws of the State.

SECTION 4.5. Method of Valuation and Frequency of Valuation. In computing the amount in any fund provided for in Section 4.3, investments shall be valued at the lower of cost or market price, exclusive of accrued interest. With respect to the Debt Service Fund valuation shall occur annually. If any investment in the Debt Service Fund ceases to be a Qualified Investment, then such non-conforming investment shall be sold or liquidated, and the proceeds thereof invested in Qualified Investments.

ARTICLE V

REDEMPTION OF THE BONDS

SECTION 5.1. Optional Redemption. The Bonds maturing on and after September 1, 20__ shall be subject to redemption at the option of the Issuer, in whole at any time, and in part from time to time, on and after September 1, 20__, and if less than a full maturity then by lot within such maturity, at a price equal to the principal amount thereof, plus accrued interest to the redemption date.

SECTION 5.2 Principal Payments. The Bonds are subject to principal payments, on each of the dates set forth below and in the respective principal amounts set forth opposite each such date, as follows:

Payment Date (____1)	Principal <u>Amount</u> \$
---------------------------------------	--

*

**Final Maturity*

SECTION 5.3 Optional Redemption On Determination of Taxability. If a Determination of Taxability occurs, at the option of the Issuer, all of the Tax-Exempt Bonds may be redeemed in whole but not in part following receipt by the Issuer of written notice of such Determination of Taxability at a redemption price equal to 100% of the unpaid principal balance of the Tax-Exempt Bonds Outstanding, plus accrued interest thereon to the date fixed for

redemption at the Taxable Adjusted Rate from the date of Determination of Taxability, plus any unpaid Excess Fee.

Section 5.4. Notice of Redemption.

- (a) In the event any of the Bonds are called for optional redemption, the Paying Agent shall give notice, in the name of the Issuer, of the redemption of such Bonds, which notice shall (i) specify the Bonds to be redeemed, the redemption date, the redemption price, and the place or places where amounts due upon such redemption will be payable (which shall be the principal corporate trust office of the Paying Agent) and, if less than all of the Bonds are to be redeemed, the numbers of the Bonds, and the portions of the Bonds, so to be redeemed, (ii) state any condition to such redemption, and (iii) state that on the redemption date, and upon the satisfaction of any such condition, the Bonds to be redeemed shall cease to bear interest. Such notice may set forth any additional information relating to such redemption. Such notice shall be given by mail, postage prepaid, at least thirty (30) days prior to the date fixed for redemption to each Owner of the Bonds to be redeemed at its address shown on the Bond Register kept by the Paying Agent; provided, however, that failure to give such notice to any Bondholder or any defect in such notice shall not affect the validity of the proceedings for the redemption of any of the Bonds.
- (b) Any Bonds and portions of Bonds which have been duly selected for redemption and which are paid as set forth herein shall cease to bear interest on the specified redemption date.

In the case of any redemption in part of the Bonds, the Bonds to be redeemed will be selected by the Issuer, subject to the requirements of this Bond Ordinance. If less than all of the Bonds outstanding of a series are called for redemption under any provision of this Bond Ordinance permitting partial redemption, the particular

Bonds of such series to be redeemed will be selected by the Paying Agent, in such a manner as the Paying Agent in its discretion may deem fair and appropriate.

Section 5.5. Partial Redemption. In the event a Bond to be redeemed is of a denomination larger than \$5,000, a portion of such Bond (\$5,000 or any multiple thereof) may be redeemed. Any Bond which is to be redeemed only in part shall be surrendered at the principal corporate trust office of the Paying Agent and there shall be delivered to the Owner of such Bond a new Bond or Bonds of the same maturity and of any Authorized Denomination or denominations as requested by such Owner in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

ARTICLE VI

PARTICULAR COVENANTS, ADDITIONAL BONDS

SECTION 6.1. Obligation of the Issuer in Connection with the Issuance of the Series 2022 Bonds. As a condition of the issuance of the Bonds, the Issuer hereby binds and obligates itself to: (i) deposit irrevocably in trust with the Escrow Agent under the terms and conditions of the Escrow Agreement, as hereinafter provided, an amount of the proceeds derived from the issuance and sale of the Bonds, along with funds on deposit and interest earnings on such funds, as will enable the Escrow Agent to pay the principal of and interest on the Refunded Bonds; and (ii) deposit in trust with the Escrow Agent such amount of the proceeds of the Bonds as will enable the Escrow Agent to pay the cost of issuance and the costs properly attributable to establishment and administration of the Escrow Fund.

SECTION 6.2. Payment of the Bonds. The Issuer shall budget in each Fiscal Year sufficient Pledged Revenues to make all payments required by Section 4.3 in such Fiscal Year, and shall also duly and punctually pay or cause to be paid as herein provided, the principal of every Bond and the interest thereon, at the dates and places and in the manner stated in the Bonds according to the true intent and meaning thereof.

SECTION 6.3. Tax Covenants.

- (a) To the extent permitted by the laws of the State, the Issuer will comply with the requirements of the Code to establish, maintain and preserve the exclusion from "gross income" of interest on the Tax-Exempt Bonds under the Code. The Issuer shall not take any action or fail to take any action, nor shall it permit at any time or times any of the proceeds of the Tax-Exempt Bonds or any other funds of the Issuer to be used directly or indirectly to acquire any securities or obligations the acquisition of which would cause any Tax-Exempt Bond to be an "arbitrage bond" as defined in the Code or would result in the inclusion of the interest on any Tax-Exempt Bond in "gross income" under the Code, including, without limitation, (i) the failure to comply with the limitation on investment of the proceeds of the Tax-Exempt Bonds, (ii) the failure to pay any required rebate of arbitrage earnings to the United States of America, or (iii) the use of proceeds of the Tax-Exempt Bonds in a manner which would cause the Tax-Exempt Bonds to be "private activity bonds" under the Code.
- (b) The Issuer shall not permit at any time or times any proceeds of the Tax-Exempt Bonds or any other funds of the Issuer to be used, directly or indirectly, in a manner which would result in exclusion of interest on any Tax-Exempt Bond from the treatment afforded by Section 103(a) of the Code, as from time to time amended, or any successor provision thereto.
- (c) For purposes of paragraphs (a) and (b) above, "interest" shall include any original issue discount properly allocable to the holder of a Tax-Exempt Bond.

SECTION 6.4. Obligation to Collect Taxes. The Issuer recognizes that this Governing Authority is bound under the terms and provisions of law, to levy and impose and cause the enforcement and collection the *ad valorem* taxes which secure issuance of the Bonds, and to provide for the proper application thereof, until all of the Bonds have been retired as to both

principal and interest. Nothing herein contained shall be construed to prevent the Governing Authority from altering or amending from time to time as may be necessary the resolutions and/or ordinances adopted providing for the levying, imposition, enforcement and collection of the *ad valorem* taxes or any subsequent resolution and/or ordinance providing therefor, provided that such alterations or amendments shall not be made in any manner which would impair the rights of the Owners from time to time of the Bonds or which would in any way jeopardize the prompt payment of principal thereof and interest thereon. The resolutions and/or ordinances imposing the *ad valorem* taxes and pursuant to which the *ad valorem* taxes are being levied, collected and allocated, and the obligation to continue to levy, collect and allocate the *ad valorem* taxes and to apply the Pledged Revenues in accordance with the provisions of this Bond Ordinance, shall be irrevocable until the Bonds have been paid in full as to both principal and interest, and shall not be subject to amendment in any manner which would impair the rights of the Owners from time to time of the Bonds or which would in any way jeopardize the prompt payment of principal thereof and interest thereon. More specifically, the Issuer may not discontinue the *ad valorem* taxes or permit to be discontinued the *ad valorem* taxes in anticipation of the collection of which the Bonds have been issued or in any way make any change in *ad valorem* taxes which would diminish the amount of the Pledged Revenues to be received by the Issuer until all of the Bonds shall have been retired as to both principal and interest.

SECTION 6.5. Indemnity Bonds. So long as any of the Bonds are outstanding and unpaid, the Issuer shall require all of its officers and employees who may be in a position of authority or in possession of money derived from collection of the *ad valorem* taxes, to obtain or be covered by a blanket fidelity or faithful performance bond, or independent fidelity bonds written by a responsible indemnity company in amounts adequate to protect the Issuer from loss.

SECTION 6.6. Issuer to Maintain Books and Records. So long as any of the Bonds are outstanding and unpaid in principal or interest, the Issuer shall maintain and keep proper books of records and accounts separate and apart from all other records and accounts in which shall be made full and correct entries of all transactions relating to the collection and expenditure of the receipts of the *ad valorem* taxes, including specifically but without limitation, all

reasonable and necessary costs and expenses of collection. Not later than six (6) months after the close of each Fiscal Year, the Issuer shall cause an audit of such books and accounts to be made by the Legislative Auditor of the State (or his successor) or by a recognized independent firm of certified public accountants showing the receipts of and disbursements made for the account of the Debt Service Fund. Such audit shall be available for inspection upon request by the Owners of any of the Bonds. The Issuer further agrees that the Paying Agent and the Owners of any of the Bonds shall have at all reasonable times the right to inspect the records, accounts and data of the Issuer relating to the *ad valorem* taxes.

SECTION 6.7. Pledged Revenues Not Encumbered. As of this date, the Pledged Revenues are not pledged or encumbered in any way, except to the payment of the Unrefunded Prior Bonds.

ARTICLE VII

SUPPLEMENTAL BOND ORDINANCES

SECTION 7.1. Supplemental Resolutions Effective Without Consent of Owners. For any one or more of the following purposes and at any time from time to time, a resolution and/or ordinance supplemental hereto may be adopted, which, upon filing with the Paying Agent of a certified copy thereof, but without any consent of Owners, shall be fully effective in accordance with its terms: (a) to add to the covenants and agreements of the Issuer in this Bond Ordinance other covenants and agreements to be observed by the Issuer which are not contrary to or inconsistent with this Bond Ordinance as theretofore in effect; (b) to add to the limitations and restrictions in this Bond Ordinance other limitations and restrictions to be observed by the Issuer which are not contrary to or inconsistent with this Bond Ordinance as theretofore in effect; (c) to surrender any right, power or privilege reserved to or conferred upon the Issuer by the terms of this Bond Ordinance, but only if the surrender of such right, power or privilege is not contrary to or inconsistent with the covenants and agreements of the Issuer contained in this Bond Ordinance; (d) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision of this Bond Ordinance; or (e) to insert such provisions clarifying matters

or questions arising under this Bond Ordinance as are necessary or desirable and are not contrary to or inconsistent with this Bond Ordinance as theretofore in effect.

SECTION 7.2. Supplemental Resolutions Effective with Consent of Owners. Except as provided in Section 7.1, any modification or amendment of this Bond Ordinance or of the rights and obligations of the Issuer and of the Owners of the Bonds hereunder, in any particular, may be made by a supplemental ordinance, with the written consent of the Owners of a majority of the Bond Obligation at the time such consent is given. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the redemption price thereof or in the rate of interest thereon without the consent of the Owner of such Bond, or shall reduce the percentages of Bonds the consent of the Owner of which is required to effect any such modification or amendment, or change the obligation of the Issuer to levy and collect the *ad valorem* taxes for payment of the Bonds as provided herein, without the consent of the Owners of all of the Bonds then outstanding, or shall change or modify any of the rights or obligations of the Paying Agent without its written assent thereto. For purposes of this Section, the Bonds shall be deemed to be affected by a modification or amendment of this Bond Ordinance if the same adversely affects or diminishes the rights of the Owners of said Bonds.

ARTICLE VIII

PARITY OBLIGATIONS

SECTION 8.1. Issuance of Parity Obligations. All of the Bonds and Unrefunded Prior Bonds shall enjoy complete parity of lien on the Pledged Revenues despite the fact that any of the Bonds may be delivered at an earlier date than any other of the Bonds. The Issuer may issue other bonds or obligations payable from or enjoying a lien on the Pledged Revenues on a parity with the Bonds and Unrefunded Prior Bonds.

The Bonds and Unrefunded Prior Bonds or any part thereof, including interest and redemption premiums thereon, may be refunded and the refunding bonds so issued shall enjoy complete equality of lien with the portion of the Bonds and Unrefunded Prior Bonds and the

refunding bonds shall continue to enjoy whatever priority of lien over subsequent issues may have been enjoyed by the Bonds and Unrefunded Prior Bonds.

ARTICLE IX

EVENT OF DEFAULT /REMEDIES

SECTION 9.1. Events of Default. If one or more of the following events (in this Bond Ordinance called Events of Default) shall happen, that is to say,

- (a) if default shall be made in the due and punctual payment of the principal of any Bond when and as the same shall become due and payable, whether at maturity; or
- (b) if default shall be made in the due and punctual payment of any installment of interest on any Bond and Unrefunded Prior Bonds when and as such interest installment shall become due and payable; or
- (c) if default shall be made by the Issuer in the performance or observance of any other of the covenants, agreements or conditions on its part in this Bond Ordinance, any supplemental resolution or in the Bonds contained and such default shall continue for a period of forty-five (45) days after written notice thereof to the Issuer by the Owners of not less than 25% of the Bond Obligation; or
- (d) if the Issuer shall file a petition or otherwise seek relief under any Federal or State bankruptcy law or similar law;

then, upon the happening and continuance of any Event of Default, the Owners of the Bonds shall be entitled to exercise all rights and powers for which provision is made under Louisiana law.

PURPOSE

To amend the code text in the Shreveport Unified Development Code.

BACKGROUND INFORMATION

The City of Shreveport Unified Development Code (UDC) undergoes regular review to ensure that the Code promotes sound, stable, and desirable development to correct errors in the text or to accommodate changed or changing conditions in a particular area. These amendments will affect the following article: *Article 9. – Signs*, regarding updates and revisions to political signs, with all their provisions included therein.

Six years ago, the U.S. Supreme Court upended local sign regulations with its decision in *Reed v Town of Gilbert*. In *Reed*, the Supreme Court held a sign ordinance's restrictions were content based when the restrictions "depend[ed] entirely on the communicative content of the sign." Courts have interpreted the broad ruling in *Reed* to mean a sign ordinance is unconstitutional if an official is required to read the sign's message to determine which regulations apply.

To contend with the Court's ruling, these code text amendments better regulate the signage codes, and limit a sign's size, location, illumination and lighting, and placement on private property. This will allow those regulations to be enforced without reviewing the sign's message.

STAFF REPORT – CITY OF SHREVEPORT

JULY 6, 2022

AGENDA ITEM NUMBER: XX

MPC Staff Member: Adam Bailey

City Council District: All Districts

Parish Commission District: All Districts

CASE NUMBER: 22-7-CTAC: City of Shreveport Code-Text Amendments
APPLICANT: METROPOLITAN PLANNING COMMISSION
REQUEST: **Code Text (Ordinance) Amendments to the Shreveport UDC**

DESCRIPTION: The City of Shreveport Unified Development Code (UDC) undergoes regular review to ensure that the Code promotes sound, stable, and desirable development to correct errors in the text or to accommodate changed or changing conditions in a particular area. Periodically, revisions are required to reflect the changing nature of business in our community and processed as either general amendments suggested or reviewed by the MPC staff, or amendments that include those that are legally necessary, incorporate previously approved ordinances or determinations, or are emergency amendments. These amendments will affect the following article: *Article 9. – Signs*, regarding updates and revisions to political signs, with all their provisions included therein.

BACKGROUND: Six years ago, the U.S. Supreme Court upended local sign regulations with its decision in *Reed v Town of Gilbert*. In *Reed*, the Supreme Court held a sign ordinance's restrictions were content based when the restrictions "depend[ed] entirely on the communicative content of the sign." Courts have interpreted the broad ruling in *Reed* to mean a sign ordinance is unconstitutional if an official is required to read the sign's message to determine which regulations apply.

When reviewing sign regulations, courts will first determine if the ordinance is content-based or content-neutral. A content-neutral ordinance does not target the sign's communicative message, but instead applies to all signs regardless of their message. Content-neutral restrictions are usually limited to the time, place, and manner of the speech.

Content-neutral regulations get "intermediate scrutiny." Intermediate scrutiny requires the restrictions to further an important governmental interest and be substantially related to that interest. Courts have found aesthetics, blight, and traffic safety to be examples of important government interests. Content-based regulations target the communicative message of the expression and are subject to "strict scrutiny." These restrictions are presumptively unconstitutional and are only permissible if they are narrowly tailored to serve a compelling interest using the least restrictive means. Strict scrutiny is almost always fatal.

In *Reed*, the court found the ordinance unconstitutional because it treated temporary use signs differently depending on whether they were political in nature, related to a qualifying event, or ideological.

So what regulations are still enforceable? A good rule of thumb is that if the ordinance requires an official to read the sign to determine how it is regulated, then the ordinance is likely content-based and presumptively unconstitutional. Regulations that limit a sign's size, location, illumination and lighting, and placement on private property are generally permissible because those regulations can be enforced without reviewing the sign's message.

STAFF REPORT – CITY OF SHREVEPORT

STAFF ANALYSIS: Code text amendment changes may be reviewed at any time and are not subject to any annual review requirements. The Office of the MPC typically reviews code amendments updates annually or semi-annually, to accommodate changed or the changing nature of business in our community. The proposed amendments in this report were initially discussed at the June 2022 MPC work sessions. Following the MPC public hearing on July 6, 2022, the Shreveport City Council will review the proposals at a July 26, 2022 and August 9, 2022 public hearing. MPC staff provided notice of the July 6 public hearing through publication in The Shreveport Times on June 17, 2022. No comments have been received to date.

APPROVAL STANDARDS: The purpose of Section 16.1.E.1 is to provide a uniform means for amending the text of the UDC whenever the public necessity, convenience, general welfare, or appropriate land use practices justify, or require doing so. **STAFF
RECOMMENDATION:**

Based on staff analysis, review of the above standards and facts of record, MPC Staff concludes that the recommendation to APPROVE these code text amendments is warranted. If approved by City Council, Article 9 of the Shreveport UDC would be amended, as described within. Alternatively, based on information provided at the public hearing, the MPC Board may:

CASE NUMBER 22-122-C: **ZONING REQUEST**
APPLICANT: CROSS DEVELOPMENT
OWNER: Feist Properties, LLC
LOCATION: TBD E Kings Hwy (SE corner of E Kings Hwy and E 70th St)
EXISTING ZONING: R-A
REQUEST: R-A to C-4
PROPOSED USE: Vehicle Repair- Major

DESCRIPTION:

The applicant is requesting approval to change the zoning of a 6.5 Acre property from Rural-Agricultural to Heavy Commercial Zoning (C-4) for a Major Vehicle Repair Facility. The property to the north is zone as Open Space (OS). The property to the East is zoned as Heavy Commercial Zoning (C-4). Across King's Highway to the West and Southwest is a General Commercial Zoning District (C-3). Across King's Highway to the immediate South is a Rural-Agricultural(R-A) lot.

There are no prior cases for this site. Nearby relevant cases include: approval for rezoning R-A and OS to C-4 for a Vehicle Dealership with Outdoor display (20-10-C); approval for rezoning R-A to C-4 for a Vehicle Dealership (C-52-18); denial of rezoning from R-A to Community Business (B-3; C-3 under the UDC) for a Hospital (C-74-06). Hospitals were permitted in a B-2 district, so to avoid up-zoning unnecessarily, approval was given to rezone to B-2. For this case, Vehicle Repair- Major is not permitted in C-3, so C-4 would not be an unnecessary up-zoning.

Nearby neighborhoods include: Broadmoor, Dixie Garden, Pierremont, Shreve Island, South Broadmoor, Town South/Spring Lake

REMARKS:

As stated in Article 4.3 of the Unified Development Code (UDC), Heavy Commercial Zoning District (C-4) is defined as *"The C-4 Heavy Commercial Zoning District is intended for areas of more intense commercial use, including uses related to motor vehicles and those that may require outdoor storage. Because of the impacts from more intensive commercial uses, the district regulations ensure that setbacks, buffering, and site development controls are in place to mitigate negative impacts on neighboring uses."* The permitted by right uses in C-4 zoning district include Agriculture, Amusement Facility – Indoor, Amusement Facility – Outdoor, Animal Care Facility, Animal Shelter, Animal Shelter – Operated by Public Authority, Art Gallery, Arts Studio, Automated Teller Machine – Standalone, Body Modification Establishment, Brewery, Broadcasting Facility TV/Radio - With Antennae, Broadcasting Facility TV/Radio - Without Antennae, Bus Transfer Station, Retail Sales of Alcohol-Beer/Wine, Business Support Services, Car Wash, Commercial

STAFF REPORT – CITY OF SHREVEPORT

Facility For Pop-Up Use, Contractor Office, Cultural Facility, Day Care Center, Distillery, Drive-Through Facility, Dwelling – Above the Ground Floor, Educational Facility - Primary or Secondary Financial Institution, Financial Institution with Drive-Through, Food Truck and Trailer Vendor, Funeral Home, Furniture, Furnishings and Equipment Sales, Gas Station, Government Office, Greenhouse/Nursery – Retail, Healthcare Institution, Heavy Retail, Rental, and Service, Hotel, Industrial - Artisan Industrial Design, Industrial Services, Live Performance Venue, Lodge/Meeting Hall, Medical/Dental Office, Office, Retail Sales of Alcohol-Liquor, Outdoor Dining, Parking Lot (Principal Use) Parking Structure (Principal Use) Passenger Terminal, Personal Service Establishment, Place of Worship, Public Park, Public Safety Facility, Public Works Facility, Reception Facility, Research and Development, Residential Care Facility, Restaurant Retail Goods Establishment Self-Service Ice Vending Unit, Self-Storage Facility: Climate-Controlled, Self-Storage Facility – Outdoor, Shelter Housing, Social Service Center, Soup Kitchen, Soup Kitchen, Accessory, Specialty Food Service, Storage Yard – Outdoor Utility, Vehicle Dealership – Enclosed, Vehicle Dealership – With Outdoor Storage/Display, Vehicle Operation Facility, Vehicle Rental – Enclosed Vehicle Rental – With Outdoor Storage/Display, Vehicle Repair/Service– Major, Vehicle Repair/Service – Minor Winery, Wireless Telecommunications – Attachments to Existing Structures (Other than Towers) Wireless Telecommunications – Modifications Farmers' Market, Temporary Outdoor Events, Temporary Sale of Non-Seasonal Merchandise and Temporary Seasonal Sales.

The C-4 district is designed for intense commercial uses, but not to be intrusive on neighboring uses. The area has been developing into a commercial corridor. Vehicle Repair- Major, which is a permitted use in a C-4 district, would likely not be out of place in the area. There is C-3 district to the east of the lot that is made up of large stores such as Lowes, Pet Smart, World Market and others. Directly to the East is C-4 zoning district that are used as vehicle dealerships. The nearest area that could be impacted by the rezoning is an R-1-7, single family Residential, zoning district that is approximately 400 feet to the north at the closest point. Due to the shape of the lot, it is more likely any intense commercial uses will be at least 700 feet away and would be buffered by the open space and the C-3 zoning district to the north of the lot.

In reference to the Shreveport-Caddo Great Expectations Master Plan, the tract of land consisting of 7600 E Kings Highway is planned for future use as a "Major Mixed-Use Center." Chapter 12 of the Great Expectations Master Plan defines a Major Mixed-Use Center as an area with medium-to-high-density office, residential, retail, and entertainment areas. **The site's existing R-A designation encourages low-density uses, which conflicts with the intentions of the Master Plan, whereas a C-4 zoning designation would allow for medium-to-high-density commercial and office uses onsite in the future. Since a C-4 zoning designation would work towards satisfying the vision of the Great Expectations Master Plan, and because the designation is not in conflict with immediate surrounding land uses, it is recommended that the MPC Board approves the applicant's request as proposed.**

Per UDC requirements, the applicant hosted a neighborhood participation meeting on June 9, 2022, at 10:00am. The meeting took place at 7561 E Kings Highway, Shreveport, LA 71115, a field to the

STAFF REPORT – CITY OF SHREVEPORT

East of the site in question. The meeting took a total of 15 minutes and was attended by one member of the public. The meeting was hosted by Michael Kelsch (the engineer for the project) and Connor O'neal (the developer). The attendee asked about approximate location of the proposed site. The attendee voiced concerns about the screening practices and was shown the fence layout plan. Ultimately, he was not in clear support nor opposition of the project.

ASSESSMENT: Based on the information contained in the application, and analysis of the facts of record, MPC Staff concludes that approval of rezoning from Rural-Agricultural (R-A) to Heavy Commercial (C-4) is warranted.

Alternatively, based on information provided at the hearing the MPC Board may also:

- a. Deny the Request
- b. Approve rezoning to a different zoning district
- c. Defer the request

PUBLIC ASSESSMENT: One person spoke in support. There was no opposition.

MPC BOARD

RECOMMENDATION: The board voted 6-0 to recommend the application for approval.

NPP Meeting Invitation
Proposed Autobody Shop
Zoning Change
5/24/2022

Dear Neighbor:

Our Client, Cross Development, is planning an autobody shop on E. Kings Highway adjacent to Orr BMW in Shreveport.

The current site is R-A zoning. The proposed autobody shop will require C-4 zoning. The property is bordered by car dealerships (C-4 zoning), and thus the autobody shop use will be perfect for the area.

Because you are a nearby neighbor or otherwise interested in the neighborhood, I am inviting you to a meeting where you can learn more about what is proposed and present questions or concerns. Our application has to be heard by the Metropolitan Planning Commission and the City Council and we are required to do this before we submit our application to the Metropolitan Planning Commission

The meeting will take place:

Thursday June 9, 2022 at 10:00 AM

Vacant field to the west of 7561 E. Kings Highway, Shreveport, LA 71115 (Just west of the Orr BMW Car Dealership)

At the meeting I will provide a sign-in sheet to obtain email addresses, so that I can keep you updated if there are any changes to the project. If you cannot attend the meeting and would like to receive information from the meeting, please contact us at the address below. I hope to see you at the meeting on June 9 at 10:00 AM.

Sincerely,

Mike Kelsch, P.E.

PURPOSE

This ordinance will reduce the automatic demolition delay of property located in the Downtown Development District in the absence of good cause shown for an extended delay period.

This Ordinance or Resolution will have direct impact on Council District:

BACKGROUND INFORMATION

Section 22.3 of the City of Shreveport Code of Ordinances currently provides for a delay of 180 days prior to the issuance of a demolition permit for structures located in the Downtown Development District.
