External Affairs

December 2, 2020

The Honorable Adrian Perkins
Mayor
City of Shreveport
504 Travis Street
Shreveport, LA 71101

Dear Mayor Perkins:

The American Electric Power Foundation is pleased to support the City of Shreveport. The payment from the American Electric Power Foundation in the amount of \$50,000.00 for Youth Advocacy Program will be mailed directly to you from BNY Mellon.

The Foundation has not and will not accept any benefit from the City of Shreveport as a result of this gift. Neither AEP nor its operating units will accept benefits as a result of this gift from the American Electric Power Foundation.

An email requesting confirmation of receipt of this contribution will be sent to your organization. In an effort to reduce paperwork, please submit the gift receipt via the on-line link provided in the email.

The Foundation strives to improve the quality of life for people in the communities where AEP and its operating units serve and where AEP employees live and work. As a supporter of the important work you do, we care about our gift's impact in the community. We look forward to receiving additional information describing the results of the AEP Foundation grant.

Best wishes for continued success.

Sincerely,

T. Brian Bond
