RESOLUTION NO. _____ OF 2021

A RESOLUTION FOR THE CERTIFICATION OF COMPLIANCE WITH THE STATE OF LOUISIANA OFF-SYSTEM BRIDGE REPLACEMENT PROGRAM, AND OTHERWISE PROVIDING WITH RESPECT THERETO..

BY:

WHEREAS, the Code of Federal Regulations, as enacted by the United States Congress, mandates that all structures defined as bridges located on all public roads shall be inspected, rated for safe load capacity, and posted in accordance the National Bridge Inspection Standards and that an inventory of these bridges shall be maintained by each State; and

WHEREAS, the responsibility to inspect, rate and load post those bridges under the authority of the City of Shreveport in accordance with those standards is delegated by the Louisiana Department of Transportation and Development to the City of Shreveport.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Shreveport, in due, regular, and legal session convened that the City does hereby certify to the Louisiana Department of Transportation and Development (herein referred to as the DOTD) that for the period of 1 October 2021 through 30 September 2022:

1. The City will perform all interim inspections on all City owned or maintained bridges in accordance with the National Bridge Inspection Standards.
2. All bridges owned or maintained by the City will be structurally analyzed and rated by the City as to safe load capacity in accordance with AASHTO Manual for Maintenance Inspection of Bridges. The load posting information that has been determined by the LADOTD for all bridges where the maximum legal load under Louisiana law exceeds the load permitted under the operating rating as determined above will be critically reviewed by the City. Load Posting information will be updated by the City to reflect all structural changes, any obsolete structural ratings or any missing structural ratings.

3. All City owned or maintained bridges which require load posting or closing shall be load posted or closed in accordance with the table in the DOTD Engineering Directives and Standards Manual Directive No. 1.1.1.8. All DOTD supplied load posting information concerning a bridge shall be critically reviewed by the City Engineer prior to load posting.
4. All Bridges owned or maintained by the City are listed separately in the format specified by the DOTD. Correction to data supplied to the City by the LADOTD are noted.

BE IT FURTHER RESOLVED that if any provision or item of this ordinance or the application thereof is held invalid, such invalidity shall not affect other provisions, items or applications of this ordinance which can be given effect without the invalid provisions, items, or applications, and to this end, the provisions of this ordinance are hereby declared severable.

BE IT FURTHER RESOLVED that all ordinances or resolutions or parts thereof in conflict herewith are hereby repealed.
