AGENDA ITEM NUMBER: 8

CASE NUMBER 22-122-C: **ZONING REQUEST**
APPLICANT: CROSS DEVELOPMENT
OWNER: Feist Properties, LLC
LOCATION: TBD E Kings Hwy (SE corner of E Kings Hwy and E 70th St)
EXISTING ZONING: R-A
REQUEST: R-A to C-4
PROPOSED USE: Vehicle Repair- Major

DESCRIPTION:

The applicant is requesting approval to change the zoning of a 6.5 Acre property from Rural-Agricultural to Heavy Commercial Zoning (C-4) for a Major Vehicle Repair Facility. The property to the north is zone as Open Space (OS). The property to the East is zoned as Heavy Commercial Zoning (C-4). Across King's Highway to the West and Southwest is a General Commercial Zoning District (C-3). Across King's Highway to the immediate South is a Rural-Agricultural(R-A) lot.

There are no prior cases for this site. Nearby relevant cases include: approval for rezoning R-A and OS to C-4 for a Vehicle Dealership with Outdoor display (20-10-C); approval for rezoning R-A to C-4 for a Vehicle Dealership (C-52-18); denial of rezoning from R-A to Community Business (B-3; C-3 under the UDC) for a Hospital (C-74-06). Hospitals were permitted in a B-2 district, so to avoid up-zoning unnecessarily, approval was given to rezone to B-2. For this case, Vehicle Repair- Major is not permitted in C-3, so C-4 would not be an unnecessary up-zoning.

Nearby neighborhoods include: Broadmoor, Dixie Garden, Pierremont, Shreve Island, South Broadmoor, Town South/Spring Lake

REMARKS:

As stated in Article 4.3 of the Unified Development Code (UDC), Heavy Commercial Zoning District (C-4) is defined as *"The C-4 Heavy Commercial Zoning District is intended for areas of more intense commercial use, including uses related to motor vehicles and those that may require outdoor storage. Because of the impacts from more intensive commercial uses, the district regulations ensure that setbacks, buffering, and site development controls are in place to mitigate negative impacts on neighboring uses."* The permitted by right uses in C-4 zoning district include *Agriculture, Amusement Facility – Indoor, Amusement Facility – Outdoor, Animal Care Facility, Animal Shelter, Animal Shelter – Operated by Public Authority, Art Gallery, Arts Studio, Automated Teller Machine – Standalone, Body Modification Establishment, Brewery, Broadcasting Facility TV/Radio - With Antennae, Broadcasting Facility TV/Radio - Without Antennae, Bus Transfer Station, Retail Sales of Alcohol-Beer/Wine, Business Support Services, Car Wash, Commercial*

STAFF REPORT – CITY OF SHREVEPORT

Facility For Pop-Up Use, Contractor Office, Cultural Facility, Day Care Center, Distillery, Drive-Through Facility, Dwelling – Above the Ground Floor, Educational Facility - Primary or Secondary Financial Institution, Financial Institution with Drive-Through, Food Truck and Trailer Vendor, Funeral Home, Furniture, Furnishings and Equipment Sales, Gas Station, Government Office, Greenhouse/Nursery – Retail, Healthcare Institution, Heavy Retail, Rental, and Service, Hotel, Industrial - Artisan Industrial Design, Industrial Services, Live Performance Venue, Lodge/Meeting Hall, Medical/Dental Office, Office, Retail Sales of Alcohol-Liquor, Outdoor Dining, Parking Lot (Principal Use) Parking Structure (Principal Use) Passenger Terminal, Personal Service Establishment, Place of Worship, Public Park, Public Safety Facility, Public Works Facility, Reception Facility, Research and Development, Residential Care Facility, Restaurant Retail Goods Establishment Self-Service Ice Vending Unit, Self-Storage Facility: Climate-Controlled, Self-Storage Facility – Outdoor, Shelter Housing, Social Service Center, Soup Kitchen, Soup Kitchen, Accessory, Specialty Food Service, Storage Yard – Outdoor Utility, Vehicle Dealership – Enclosed, Vehicle Dealership – With Outdoor Storage/Display, Vehicle Operation Facility, Vehicle Rental – Enclosed Vehicle Rental – With Outdoor Storage/Display, Vehicle Repair/Service– Major, Vehicle Repair/Service – Minor Winery, Wireless Telecommunications – Attachments to Existing Structures (Other than Towers) Wireless Telecommunications – Modifications Farmers’ Market, Temporary Outdoor Events, Temporary Sale of Non-Seasonal Merchandise and Temporary Seasonal Sales.

The C-4 district is designed for intense commercial uses, but not to be intrusive on neighboring uses. The area has been developing into a commercial corridor. Vehicle Repair- Major, which is a permitted use in a C-4 district, would likely not be out of place in the area. There is C-3 district to the east of the lot that is made up of large stores such as Lowes, Pet Smart, World Market and others. Directly to the East is C-4 zoning district that are used as vehicle dealerships. The nearest area that could be impacted by the rezoning is an R-1-7, single family Residential, zoning district that is approximately 400 feet to the north at the closest point. Due to the shape of the lot, it is more likely any intense commercial uses will be at least 700 feet away and would be buffered by the open space and the C-3 zoning district to the north of the lot.

In reference to the Shreveport-Caddo Great Expectations Master Plan, the tract of land consisting of 7600 E Kings Highway is planned for future use as a “Major Mixed-Use Center.” Chapter 12 of the Great Expectations Master Plan defines a Major Mixed-Use Center as an area with medium-to-high-density office, residential, retail, and entertainment areas. **The site’s existing R-A designation encourages low-density uses, which conflicts with the intentions of the Master Plan, whereas a C-4 zoning designation would allow for medium-to-high-density commercial and office uses onsite in the future. Since a C-4 zoning designation would work towards satisfying the vision of the Great Expectations Master Plan, and because the designation is not in conflict with immediate surrounding land uses, it is recommended that the MPC Board approves the applicant’s request as proposed.**

Per UDC requirements, the applicant hosted a neighborhood participation meeting on June 9, 2022, at 10:00am. The meeting took place at 7561 E Kings Highway, Shreveport, LA 71115, a field to the

East of the site in question. The meeting took a total of 15 minutes and was attended by one member of the public. The meeting was hosted by Michael Kelsch (the engineer for the project) and Connor O'neal (the developer). The attendee asked about approximate location of the proposed site. The attendee voiced concerns about the screening practices and was shown the fence layout plan. Ultimately, he was not in clear support nor opposition of the project.

STAFF

ASSESSMENT: Based on the information contained in the application, and analysis of the facts of record, MPC Staff concludes that approval of rezoning from Rural-Agricultural (R-A) to Heavy Commercial (C-4) is warranted.

Alternatively, based on information provided at the hearing the MPC Board may also:

- a. Deny the Request
- b. Approve rezoning to a different zoning district
- c. Defer the request

PUBLIC ASSESSMENT: One person spoke in support. There was no opposition.

MPC BOARD

RECOMMENDATION: The board voted 6-0 to recommend the application for approval.

NPP Meeting Invitation
Proposed Autobody Shop
Zoning Change
5/24/2022

Dear Neighbor:

Our Client, Cross Development, is planning an autobody shop on E. Kings Highway adjacent to Orr BMW in Shreveport.

The current site is R-A zoning. The proposed autobody shop will require C-4 zoning. The property is bordered by car dealerships (C-4 zoning), and thus the autobody shop use will be perfect for the area.

Because you are a nearby neighbor or otherwise interested in the neighborhood, I am inviting you to a meeting where you can learn more about what is proposed and present questions or concerns. Our application has to be heard by the Metropolitan Planning Commission and the City Council and we are required to do this before we submit our application to the Metropolitan Planning Commission

The meeting will take place:

Thursday June 9, 2022 at 10:00 AM

Vacant field to the west of 7561 E. Kings Highway, Shreveport, LA 71115 (Just west of the Orr BMW Car Dealership)

At the meeting I will provide a sign-in sheet to obtain email addresses, so that I can keep you updated if there are any changes to the project. If you cannot attend the meeting and would like to receive information from the meeting, please contact us at the address below. I hope to see you at the meeting on June 9 at 10:00 AM.

Sincerely,

Mike Kelsch, P.E.
