RESOLUTIONS ON SECOND READING AND FINAL PASSAGE OR WHICH WILL REQUIRE ONLY ONE READING

The Clerk read the following:

AMENDMENT NO. 1 TO RESOLUTION No. 87 of 2021 by Councilman Nickelson

AMEND THE RESOLUTION AS FOLLOWS: In the original proposed Exhibit A to Resolution No. 87 of 2021: 1. Add a new Subsection e. to Section VI. Performance Assurances to read as follows: e. Performance Bond. Contractor shall furnish to City a performance bond from a qualified corporate surety acceptable to the City in the amount of the total compensation indicated in this Agreement, and in a form approved by the City. No payment shall be due or made to Contractor until the performance bond has been received and approved by City.

EXPLANATION OF AMENDMENT: This amendment adds a clause to the Contract requiring a performance bond be provided by the Contractor

Councilman Green: Mr. Chair, just state for the record that this is not a ten-million-dollar contract, and I will repeat it again, this is not a ten-million-dollar contract. I will refer to the city attorney so that you can put on the record what amount that we are facing in this particular contract. Misinformation has been put out about this and I don't think that it is right that we would just state misinformation, that's wrong. So, would you give the amount of money that we are talking about.

City Attorney Lattier: We are talking about one point nine million dollars per year and obviously if she fulfills the five-year potential term of the contract that would amount to ten-million-dollar approximately. However, again, if the City of Shreveport is not satisfied with her performance that's after six months, it would only be on the hook to pay her for that amount for six months. If the city is satisfied with her performance for a whole year, then they would be on the hook for one point nine million dollars. But the city is not on the hook for ten-million-dollars. It's really just on the hook based upon her performance every month and she has to have specifics that she have to provide to the city with regard to what her requirements are and how she has completed those requirements. And again, if the city is not satisfied with her performance, they can terminate her contract at any time without cause and that's it, at any time, one month, two months, three months, it would be over.

Motion by Councilman Nickelson, seconded by Councilwoman Fuller, to adopt Amendment No. 1 to Resolution No. 87 of 2021. Motion approved by the following vote: Ayes: Councilwoman Fuller, Councilmen Nickelson, Boucher and Flurry. 4. Nays: Councilwoman Taylor, Councilmen Green and Bowman. 3. Out of the Chamber: 0. Absent: 0. Abstentions: 0.

Councilman Nickelson: I will also note for the record that this amendment has been on the agenda for two weeks. So, if it was something wrong with it legally, which I am confident that there is not, that should have been raised long before this meeting.
