Ronald C. Mulford, Fire Chief

April 26, 2013 - Two-Alarm Fire Destroys Highland Home

College Street fire required 19 units

The Shreveport Fire Department responded to 328 College Street early this morning at 1:43 AM. Upon arrival at 1:46 AM fire crews found a two-story home fully involved with fire. A defensive fire attack was executed by the first arriving companies on the large fire. A second alarm response was requested at 1:52 AM for additional manpower and equipment to contain the fire and protect the adjacent two story homes that were beside it. The fire was brought under control at 2:35 AM.

The home was occupied by one adult male and he had left the home around midnight. He stated he was the homeowner and was in the process of remodeling it. Fire investigators are working now to discover what started the blaze.

Nineteen units were dispatched to the fire with nearly 40 firefighters on scene to battle the fire. There were no reported injuries. The home was a total loss.
