FOR IMMEDIATE RELEASE

Suspect sought in break-in

Shreveport Police need your help to identify a man who broke into the Louisiana Technical College last month.

This is the most recent of 4 burglaries at the school, since December 2016, and we believe the same suspect to be involved in each one of those. In this particular burglary numerous pieces of expensive Welding Equipment was taken, a Vehicle Diagnostic System on wheels, various cutting torches and even a Chevrolet Impala each were stolen during this burglary overnight on July 19th, 2017. https://youtu.be/P_KrNIENeNk

Police recovered the abandoned stolen vehicle on Pines Road later in the evening of the burglary. Investigators suspect that due to the man's meticulous behavior inside the school, he has either attended the school in the past or perhaps is a former employee. Crimestoppers is offering a reward for information leading to the arrest of the suspect in the case. Call Crimestoppers at (318) 673-7373 or visit their website at: www.lockemup.org
