FOR IMMEDIATE RELEASE

Early morning shooting leaves one man injured

A Bossier City man was seriously injured after being shot in north Shreveport earlier this morning.

On August 9, 2017 just before 3:00am, Shreveport Police patrol officers responded to University Health Hospital after learning that a man arrived at the emergency room by private automobile suffering from gunshot wounds. The victim, Diquene Green, 23, of Bossier City, disclosed that the shooting took place in the 1700 block of Arlington Street.

Investigators with the Shreveport Police Department's Violent Crimes Unit immediately responded and launched their investigation. Green informed investigators that he went to the 1700 block of Arlington Street to meet a person that he knew through social media interaction. When he arrived in the block, an individual fired several shots at him striking him at least three times and his car multiple times. Green was unable to provide a description of the individual(s) that shot him. Investigators did locate the crime scene and recovered evidence from that scene.

Investigators are asking anyone with any information about this crime to contact Crime Stoppers at 318-673-7373 or visit the organizations website at www.lockemup.org.
