## **FOR IMMEDIATE RELEASE**

---

### **Two teens injured in Friday night shooting**

Two local teens sustained injuries after being shot in east Shreveport last night.

Just before 9:30 pm on August 11, 2017, Shreveport Police Patrol officers responded to reports of a shooting in the 300 block of Wilkinson Street in Shreveport's Highland neighborhood. Officers arrived on scene and located 2 juveniles, 14 and 16, suffering from non-life threatening gunshot wounds. One suffered a graze wound to the leg and the other suffered a bullet wound to the arm. Both were transported to University Health Hospital with non-life threatening injuries where they were treated then released.

Investigators with the Violent Crimes Division were called to the scene. Investigators learned through witness interviews and information gathered at the scene that the two juveniles were walking down the street when an unknown suspect began firing shots at them from a residence in the 300 block of Wilkinson Street. Investigators searched the residence and were able to collect evidence believed related to the shooting. No arrests have been made and the investigation is ongoing.

Investigators are asking for anyone with any information about this shooting to contact Crime Stoppers at 318-673-7373 or visit the organizations website at [Lockemup.org](http://Lockemup.org). Cash rewards will be given for information leading to the arrest of the person(s) responsible for this shooting.
