FOR IMMEDIATE RELEASE

Accused burglar's blood trail leads police to burglarized business

Suspect Johnathan Feaster

Early this morning Shreveport police arrested a man they suspect burglarized a business at the Shreveport Regional Airport.

Just after 12:30 am on September 24, 2017, Shreveport Police patrol officers responded to Hollywood Avenue and Bethune Avenue on what was initially believed to be a man shot near the intersection. Police officers and Shreveport Fire Medics arrived and soon learned that the man, Johnathan Feaster, 33, of the of 4800 block of Shed Road in Bossier City, was suffering from lacerations, not gunshot injuries. The officers followed a blood trail from Feaster back to the Tac Air Hangar at 4891 Perimeter Road at the Shreveport Regional Airport. They located a vehicle that had its window knocked out and observed that the front glass of the business had been shattered. Evidence left at the scene led officers to believe that the suspect entered into the business office and caused an estimated \$15,000.00 in damages therein.

Investigators with Shreveport Police Department's Property Crimes Division and Crime Scene Investigations Unit responded to the scene, processed the trail of evidence, and charged Feaster with one count of Simple Burglary. Feaster was treated at University Health Hospital then booked into the Shreveport City Jail on his charges.
