FOR IMMEDIATE RELEASE

Warrants issued for suspects accused in slaying of elderly woman

Suspects Roy Jrmane Narcisse and Kiana Deranka Williams

Two people are now being sought as suspects in a stabbing which claimed the life of an elderly woman Tuesday evening in east Shreveport.

Just after 8:20 p.m. on September 26, 2017, Shreveport Police patrol officers were called to a home located in the 800 block of East Washington Street, in Shreveport's Anderson Island neighborhood, relative to a stabbing. As officers arrived at the home, it was learned 82 year old Kathleen Cates was inside residence suffering what appeared to be multiple stab wounds to various areas of the body. Cates, who lived alone, was pronounced deceased at the scene.

Since the investigation began, authorities have worked around the clock in efforts to identify and apprehend those persons responsible. As a result, investigators have procured arrest warrants for Roy Jemane Narcisse, 25 of Alexandria Louisiana and Kiana Deraneka Williams, 25, of Ville Platte, Louisiana. Information and evidence collected has led detectives to link both Narcisse and Williams to the crime. The pair is wanted on charges of Second Degree Murder for their alleged role in the murder of Cates. Bond in the matter has been set at \$750,000.00 respectively. Authorities believe the pair may be traveling in Cates' stolen, 2005, beige or tan colored Honda Accord bearing Louisiana license plate number NKL858. Persons with any information in the matter is asked to contact Crimestoppers at (318) 673-7373 or visit their website at www.lockemup.org. Crimestoppers is offering a \$1,000.00 reward for information leading to the arrest of those responsible for the crime.
