FOR IMMEDIATE RELEASE

Shreveport Police Department receives funding from Highway Safety Commission

The Shreveport Police Department recently received funding through a grant program offered through the Louisiana Highway Safety Commission that will allow the department funds to conduct operations that will help to keep our roadways safer.

The Shreveport Police Department was awarded \$101,184.00 to apply to a variety of additional traffic safety enforcement initiatives from October 2017 to September 2018. These initiatives include DWI enforcement, speed and seatbelt enforcement, as well as saturation patrols.

Times and locations have not been announced but these safety checkpoints will be established throughout the city of Shreveport over the next year. City police will work in conjunction with the Caddo Parish Sheriff's Office, Louisiana State Police, and other law enforcement agencies to staff the operations.
