Police seek identity of armed robber

Investigators with the Shreveport Police Department's Robbery Task Force are looking to identify a man believed responsible for the attempted armed robbery of a woman in west Shreveport earlier this month

On October 6, 2017 just before 3:15 p.m., Shreveport Police responded to reports of an armed robbery in the 3700 block of Hudson Street in Shreveport's Ingleside neighborhood. The victim was returning home and heard a male voice demanding that she surrender her purse. She looked up to see the suspect approaching her armed with a handgun. The victim fled and evaded the suspect. The suspect fled in what was described as a newer model Ford Fusion sedan.

Investigators assigned to the case recovered video evidence of the crime and are now asking the public to help identify the person responsible for this brazen act. Crime Stoppers will pay a cash reward for information leading to the identity of this suspect. Please contact their organization at 318-673-7373 or visit the website at Lockemup.org.
