FOR IMMEDIATE RELEASE

Police investigate west Shreveport shooting

Shreveport police are investigating a shooting in Shreveport's Mooretown neighborhood this evening.

Just before 7:00 pm on November 5, 2017 Shreveport Police patrol officers were dispatched to the 5100 block of Ellison Street on reports of a male that had been shot. Officers arrived and learned that the victim, 30-year-old Jerry Foster, sustained a non-life-threatening gunshot wound and was transported to University Health Hospital for treatment.

Investigators with the Violent Crimes Unit responded and began their investigation. After contacting Foster at University Health, they learned that he was shopping at a neighborhood convenience store when he and another man engaged in an argument. Foster was walking in the 4000 block of Cleveland Street a short time later when the subject that he had the earlier argument with rode by him on a bicycle and fired shots at him striking him once in the left leg. The investigation is ongoing.

Investigators are asking anyone with information to contact the Shreveport Police Department at 318-673-7300 or contact Crimes Stoppers at 318- 673-7373 or Lockemup.org. Crime Stoppers receives information anonymously and pays rewards for information that leads to identification and arrest of suspects involved in crimes.
