FOR IMMEDIATE RELEASE

Police searching for suspects in home invasion shooting

Shreveport Police are investigating a home invasion that left a man recovering from a gunshot injury last night.

On November 5, 2017 just after 10:00 pm, Shreveport Police officers were dispatched to the 500 block of Fuller Street in reference to a shooting. They arrived to find the victim, 56-year-old Greg Edwards, suffering from a gunshot wound to his leg. Edwards was taken to University Health where he received treatment for what was described as non-life-threatening injuries.

Detectives with the Violent Crimes unit responded to the scene and launched their investigation. From evidence gathered at the scene and information provided by witnesses, they learned that Edwards and his girlfriend were asleep inside of their residence when they heard a noise at the front door. Edwards went to investigate the noise when at least two suspects began firing multiple shots at him, striking him once. The suspects then fled on foot in an unknown direction. Shell casing were located near the front entryway to the residence. The investigation is still ongoing.

Detectives are asking for anyone with information about this shooting to contact the Shreveport Police Department at 318-673-7300. Persons with information may also contact Crime Stoppers at 318-673-7373 or Lockemup.org and report information anonymously. Crime Stoppers pays Ca\$h rewards for information leading to the identification and arrest of people responsible for crimes, such as this one.
