## **FOR IMMEDIATE RELEASE**

---

### **Winners announced for Shreveport's 2017 National Night Out**

Shreveport's 2017 National Night Out enjoyed huge success and overwhelming participation this year. At its conclusion, participants in the annual crime prevention event which brings together residents, law enforcement and city officials, were presented the opportunity to submit packages from their block parties for judging.

While many of the more than 100 registered block parties throughout the city of Shreveport were well planned and attended, a number of them were selected as stand-out events based on five categories of judging criteria which included: A narrative of the event listing overall results, comments from guests and documentation of participation, photos of the function to indicate or back up your narrative, sampling of printed material such as posters, flyers etc. used to promote the event, originality of event/activities, and lastly, miscellaneous information, materials or documents that helped to communicate how your 2017 block party against crime was marked in your neighborhood.

Based on the aforementioned categories, the following block party locations were voted as the 2017 National Night Out winners for the city of Shreveport. This year's winners will have a sign indicating the accomplishment and the current year in which their parties were recognized as winners placed in an conspicuous location on the street. Congratulations to this year's winners.
