## **FOR IMMEDIATE RELEASE**

---

### **Police investigate early morning shooting**

Shreveport Police Investigators are searching for leads into an early morning shooting that left three people injured in central Shreveport.

On November 12, 2017 just after 2:00 am, Shreveport Police were dispatched to the 2600 block of Greenwood Road on reports of three people arriving in the emergency room with gunshot wounds. Officers arrived and made contact with LaDarius Walker, Kiera James, and a juvenile, all of whom sustained gunshot wounds to the upper body. Walker had a grazing wound to the left side of his face, James had a gunshot injury to the left arm, and the juvenile had gunshot injuries to his left arm and wrist. All injuries were reportedly non-life-threatening.

Investigators with the violent Crimes Unit responded and learned that the victims were in a vehicle at Mansfield Road and Kings Highway when a dark colored SUV pulled alongside of them and began firing shots into their vehicle. The victims had no further information to provide. Officers and investigators relocated to the crime scene and located shell casings from at least two different caliber weapons. The investigation is ongoing.

Investigators are asking for anyone with any information about this shooting to call Crime Stoppers at 318-673-7373 or visit their website at [Lockemup.org](http://Lockemup.org). Crime Stoppers only wants your information, not your name.
