Shreveport Police investigate fatal shooting

A local man is dead while detectives search for clues following a Monday evening shooting in west Shreveport.

Shortly before 8:00 p.m. on November 27, 2017, Shreveport Police patrol officers were called to the 1400 block of Clover Street relative to a shooting. As officers arrived at the home, they discovered 22 year old Timothy Mark Emery Jr., suffering a single gunshot wound to the head. Emery was declared deceased on scene.

Based on preliminary information and evidence gathered at the scene, it is believed Emery was present at the Clover Street address when a vehicle drove past the home firing shots. Authorities believe there may have been an exchange of gunfire between the suspected gunman and Emery prior to him being fatally wounded. At current, suspect information into the shooting is limited to a dark colored sedan of undetermined make or model.
