Shreveport police to unveil new patrol bicycles and honor those who made it happen

Thanks to several local organizations, the Shreveport Police Department has 15 new police bicycles to be used to patrol our city streets.

On January 30, 2018 at 2:00 pm, the Community Oriented Policing Bureau will unveil the new bikes and publicly recognize the six organizations that made it all possible: North Shreveport Business Association, Willis Knighton Health System, First United Methodist Church, Southern Hills Business Association, Dandy Products, and River City Cycling.

The ceremony will take place at the Texas Avenue entrance to the Shreveport Police Complex.

We would like to invite all of our media partners to join us on this special day.
