---

## **DNA links man to vehicle burglaries**

Suspect Daron Wilkinson

Shreveport Police have charged a man with Simple Burglary after DNA linked him to two separate vehicle burglaries that occurred in the summer of 2017.

On June 17, 2017, Shreveport Police responded to the 4200 block of Reilly Lane on reports of vehicles being burglarized at the Duck Pond. Two vehicles were forcibly entered by breaking the driver's side window and the vehicles were rummaged through but nothing was taken. Patrol officers conducted an on scene investigation and located what they believed was blood evidence inside of the vehicle. They collected that evidence and submitted it to the North Louisiana Criminalistics Laboratory for testing.

On February 7, 2018, Detectives with Shreveport Police Department's Property Crimes Unit received notification that the DNA submitted was believed to be that of 48-year-old Daron Wilkinson, of the 1800 block of East Kings Highway. Wilkinson was already being held at Caddo Correctional Center on unrelated charges. Following interviews with investigators, Wilkinson was charged with two counts of Simple Burglary. He remains at CCC.
