## **Fingerprints link man to west Shreveport burglary**

Suspect Princeton Adams

Investigators with the Shreveport Police Department's Property Crimes Unit have a man in custody accused of burglarizing a residence in late December 2017.

On December 20, 2017, Shreveport Police patrol officers responded to reports of a home burglary in the 6300 block of Timberman Place in west Shreveport. Upon arrival they learned that the victim's home had been forcibly entered and items stolen from within. During the officers' initial investigation, they recovered latent fingerprints at the point of entry. Those prints were submitted to the Crime Scene Investigation Unit for analysis.

On February 5, 2018, Investigators received notification that the prints collected from the crime scene were matched to Princeton Adams, 18, of the 4200 block of South Hampton Road. Investigators took Adams into custody without incident. Following interviews, Adams was booked into the Shreveport City Jail on one count of Simple Burglary of an Inhabited Dwelling.
