

Shreveport-Bossier Transit System Update!

90 Day Transit System Revision Plan Review

We're Coming Back to Your Community

SporTran will host public forums to discuss our November 2017 Transit System Changes. Put yourself behind the wheel and join us for one or more of the upcoming public forums to discuss your Transit System. The open houses will feature a brief presentation.

Please call (318) 221-7433 for further information. With seven days advance notice, SporTran can make meeting materials available in alternative formats like large print, and language translation.
