## **Shreveport Police need help identifying business burglar**

On January 22, 2018, Shreveport Police patrol officers responded to reports of a business burglary at Mills Motors in the 2700 block of Linwood. Video surveillance footage shows what appears to be a male use a blowtorch to try to cut the front door open. When those efforts were unsuccessful, the subject then busted out the front window of the business and made entry. Once inside he took undisclosed items of value then fled on foot.

Shreveport Caddo Crime Stoppers is offering a reward for information leading to the identity and arrest of this individual. Contact their organization anonymously at 318-673-7373, Lockemup.org, or via the app at P3Tips.
