Police search for suspects accused of burglarizing automotive repair shop

Shreveport Police Property Crimes Detectives are on the hunt for suspects accused of burglarizing a west Shreveport business.

On February 21, 2018 Shreveport Police patrol officers responded to the 5600 block of Mansfield Road to Lee's Transmission Shop on reports of a burglary. During their preliminary investigation, officers learned that at least two of the suspects had been captured on video breaking the window of the business in an apparent attempt to gain entry into the business.

Detectives assigned to the case were able to collect the video and are making the video public in hopes that someone can help identify these individuals.

Shreveport Caddo Crime Stoppers is offering a cash reward for information leading to the identification and arrest of these individuals. Submit your information anonymously at 318-673-7373, Lockemup.org, or via the app at P3Tips.
