## **Video Surveillance Released in Homicide Investigation**

Shreveport Police Violent Crimes investigators are releasing portions of surveillance video related to the death investigation of a Shreveport man slain last month.

Back on March 30, 2018, Shreveport Police patrol officers were called to the 700 block of Tecumseh Trail relative to the discovery of 19 year old Jermarin Smith, who had been found slain, the victim of multiple gunshot wounds.

Since the investigation began, authorities have worked tirelessly in effort to identify the person they believe may be responsible for the tragic crime. Video surveillance shows Smith accompanied with an unknown man only moments before he is believed to have been murdered. The video is captured from surveillance cameras in the 2000 block of Grimmer Drive. The man seen in the video, <https://youtu.be/6zfGBNy1xPk> appears to be a medium build black male, wearing a denim colored long sleeved shirt, blue jeans, with a small Afro. It appears the man may walk with a slight limp. Authorities would like to speak with the man relative to the ongoing investigation. Police are asking anyone with information on the identity of the man seen accompanying Smith to contact Crimestoppers at: (318) 673-7373 or visit their website at: [www.lockemup.org](http://www.lockemup.org).
