Shreveport Police are searching for an individual believed responsible for the murder of a man in west Shreveport on Sunday morning.

On April 8, 2018 just before 3:00 am, Shreveport Police were called to the 7100 block of Brandtway Street on reports of a shooting. Officers located 26-year-old Jonathan Roberson suffering from multiple gunshot wounds to the upper body. Roberson was transported to University Health Hospital where he later died.

Investigators with the Shreveport Police Department's Violent Crimes Unit and Crime Scene Units responded to the scene and began combing through evidence and interviewing witnesses in an effort to identify the person responsible for Roberson's death. They worked through the day using information collected from the crime scene and other information and were able to develop the alleged suspect as 23-year-old Kenmorria Kendrick of the 1100 block of West 70<sup>th</sup> Street. A warrant was procured for Kendrick charging him with one count of Second Degree Murder. Bond was set at \$500,000.00.
