## **Juvenile injured in early morning shooting**

Shreveport police are investigating a shooting that left one juvenile injured in a west Shreveport neighborhood earlier this morning.

On April 25, 2018 just before 12:30 am, Shreveport Police responded to the 3000 block of Lindholm Street on reports of a shooting. They arrived to find a 14-year-old male shot once in the back. The juvenile was transported to University Health Hospital with what was described as non-life threatening injuries. The crime scene was secured and violent crimes detectives summoned.

Investigators arrived on scene and through interviews learned that the juvenile was involved in an ongoing dispute with other juveniles in the neighborhood. Witnesses reported seeing several people outside of the residence prior to the shooting. Several shell casings were collected from the scene. The investigation is ongoing.

Shreveport Caddo Crime Stoppers is offering a cash reward for information leading to the identification and arrest of the person(s) responsible for this crime. Please contact them at 318-673-7373 or via the app, P3Tips to submit information anonymously.
