FOR IMMEDIATE RELEASE

Shreveport Police investigate Thursday evening stabbing

Shreveport Police investigators are searching for a man who reportedly stabbed another man Thursday night in Shreveport's Highland neighborhood.

Just after 8:00 p.m. on April 26, 2018, Shreveport Police patrol officers were called to the 2400 block of Creswell Avenue relative to a stabbing. As officers arrived at the scene of the incident, it was learned the injured stabbing victim had walked away from the scene. After about 15 minutes, patrol officers were able to locate the bleeding victim in the 2400 block of Highland Avenue suffering a stab wound to the right arm. The man was taken via ambulance to University Health hospital with serious but non-life-threatening injuries.

Authorities at the scene of the stabbing gathered information suggesting the victim, an unidentified Hispanic male, was engaged in a verbal altercation with another man, when the altercation became physical. It was at that time the victim was stabbed. At current, the suspect remains at large; however, Shreveport Police detectives are confident the suspect's identity will be gained as the investigation into the stabbing continues. Persons with any information about the stabbing is asked to call Crimestoppers at (318) 673-7373 or visit P3tips.com to leave an anonymous tip online.
