### **Shreveport Police ask for help to identify business burglars**

On April 29, 2018 just before 3:00 am, Shreveport Police responded to a silent alarm in the 3100 block of Knight Street at TK's Tavern. They arrived to find that the door had been pried open and the business entered. Officers reviewed the businesses video surveillance cameras and observed a black four door sedan arrive at the business and back into the parking lot. Two individuals exited the vehicle and could be seen forcibly entering the door of the business. Once inside the subjects went directly to the video poker machines but found them caged and bolted. The vehicle then pulls up to the door of the business and both suspects ran out of the business and entered into the waiting vehicle and drove away.

Shreveport Caddo Crime Stoppers is offering a cash reward for information leading to the identity and arrest of the persons responsible for this crime. Please contact them at 318-673-7373 or via their app at P3Tips. Remember Crime Stoppers only wants your information, not your name.
