Shreveport Police continue their investigation into a business robbery in west Shreveport last night.

On May 9, 2018 just before 9:00 pm, Shreveport Police patrol officers responded to the Auto Zone automotive store in the 3400 block of Greenwood Road on reports of a business robbery. Arriving officers learned that two armed suspects entered the business just as the store was closing and demanded money from the cash registers. The suspects placed an undisclosed amount of money into a backpack and fled the business on foot. The suspects were described as: 1) black male 5'8"-5'9", thin, dark complexion and wearing all black clothing with a bandana over his head and face and armed with what was described as a black handgun. 2) black male 5'9"-5'10" thin, light complexion, and wearing all black clothing with a bandana covering his head and face and armed with what was described as a silver handgun.

Investigators with the Tactical Robbery Unit responded to the scene and were able to collect surveillance video from the business. They have released photographs extracted from the original video in hopes of getting the suspects identified.
