### **Police investigate early morning homicide**

Shreveport Police are investigating a shooting in west Shreveport that left a teen dead earlier this morning.

On May 12, 2018 just before 1:45 am, Shreveport Police patrol officers responded to reports of a shooting at the intersection of Hearne Avenue and Quinton Street. Arriving officers found what was later determined to be a stolen black Jeep SUV stopped in the south bound lane of Hearne Avenue. Just beside the bullet riddled SUV, police located a male suffering from at least one gunshot wound to the head. He was pronounced deceased at the scene. The Caddo Parish Coroner's Office responded and took possession of the teen's body.

Homicide and Crime Scene Investigators immediately responded to the scene. Numerous shell casings from at least two different caliber weapons were found in both the north and south bound lanes of the 3800 and 3900 blocks of Hearne Avenue, leading investigators to believe there was a lengthy exchange of gunfire along the roadway. Investigators are currently working to develop more information. They are asking anyone with information to contact Shreveport Caddo Crime Stoppers at 318-673-7373 or via their app, P3tips.
