Shreveport Police continue investigation into attempted robbery

Unidentified suspects

Investigators with Shreveport Police Department's Tactical Robbery Unit are asking the public's help to identify a man believed responsible for a robbery attempt at a west Shreveport bank late last week.

On May 25, 2018 just before 2:00 pm, Shreveport Police patrol officers responded to the Carter Federal Credit Union in the 6800 block of West Bert Kouns Industrial Loop on reports of a robbery. Upon arrival officers contacted the teller who advised that a bearded black male dressed in a jumpsuit, work boots, a tan hat, and wearing what appeared to be a white bandage on his nose entered the business and told the teller that he would like to cash a check. The man then allegedly handed the teller a note that said he had a gun. The teller stepped away from the counter and the man fled the business in a white SUV, possibly a Lincoln Navigator.

Investigators were able to recover video from the bank and are releasing photos in hopes of getting the suspect identified. Shreveport Caddo Crime Stoppers is offering a cash reward for information leading to the identification and arrest of the individual responsible for this crime. Tips can be submitted anonymously at 318-673-7373 or via their app, P3Tips.
