Unidentified suspect

Shreveport Police are asking the public's help to identify a man believed responsible for pulling a gun on another and leading police on a high speed chase early yesterday morning.

On 6/12/2018 just after 5:00 am, Shreveport Police patrol officers responded to reports of an armed person at a convenience store in the 9400 block of Mansfield Road. On arrival, officers made contact with the victim who stated that he was pumping gas when an unknown black male approached him in a black minivan, pointed a handgun at him, and told him to "give him that". The victim was frightened and jumped into his vehicle. The suspects sped away and the victim followed until officers were able to locate them. When officers attempted to stop the vehicle and a pursuit ensued. The suspect eventually stopped and exited the vehicle on foot and escaped capture. Officers later learned that the vehicle was stolen. Investigators following up on the matter were able to secure video of the suspect entering the convenience store. They have released photos taken from the video and are asking the public's help to identify this individual.
