### **Man arrested after allegedly shooting at another**

Suspect Tony Brown

Shreveport Police Homicide investigators have a man in custody charged with attempting to shoot another in west Shreveport this afternoon.

On June 18, 2018, just after 12:00 pm, Shreveport Police patrol officers responded to reports of a shooting at the intersection of Hearne Avenue and Desoto Street. Arriving officers located the victim, 28-year-old Christopher Moran, bleeding from multiple places on his body. He was transported to University Health Hospital where it was learned that his injuries were from glass fragments, not bullets.

Officers secured the crime scene and summoned investigators with the Homicide Unit. Through interviews and evidence collected from the scene, investigators learned that Moran and 21-year-old Tony Brown, of the 2800 block of Desoto Street, were engaged in a verbal dispute that turned violent when Brown allegedly produced a handgun and fired at least three shots at Moran. Moran fell through the window of a residence while attempting to flee the scene which caused the minor injuries.

Brown was taken into custody without incident and following interviews was booked into the Shreveport City Jail on one count of Illegal Use of a Weapon and an outstanding warrant for wearing pants below the waist in public.
