## **FOR IMMEDIATE RELEASE**

---

### **Police arrest juvenile for burglarizing automotive shop**

Investigators with the Shreveport Police Department's Property Crimes Unit charged a juvenile with two counts of business burglary stemming from two separate burglaries of the same automotive shop.

On April 3 and May 21, 2018, Shreveport Police patrol officers responded to the Take 5 Oil Change in the 500 block of East Kings Highway on reports of business burglaries. On both occasions the business was forcibly entered by two black males who crawled across the floor of the business attempting to avoid the surveillance cameras. The suspects made their way to the office area and took undisclosed items on both occasions. Investigators secured video footage of both of the burglaries and released one to media in hopes of getting the suspects identified but police received no tips.

On June 18, 2018 investigators working the east side of town came into contact with a 16-year-old suspect whom they believe to be one of the alleged burglars in the video. The juvenile was taken into custody without incident and following interviews was booked into the Caddo Parish Juvenile Detention Center on two counts of Simple Burglary. Investigators continue to work toward apprehending the second suspect.
