### **One man killed, another injured in early morning shooting**

Shreveport Police are investigating an early morning shooting that ended tragically in east Shreveport this morning.

On June 22, 2018, just after 12:00 am patrol officers responded to multiple reports of shots fired in the area of Gilbert Drive and Robinson Place. Investigating officers located a man lying in the 200 block of Robinson Place suffering from multiple gunshot injuries. He was transported to University Health Hospital with life-threatening injuries. Shortly after locating the man on Robinson Place, officers were advised that a second gunshot victim arrived at University Health Hospital by private automobile. The second man, transported by private automobile, later succumbed to his injuries.

Investigators with the Violent Crimes and Crime Scene Units responded to and collected evidence from the scene. They also learned that the victim that arrived at University Health arrived in a black sedan. That vehicle was seized and processed for evidence as well. Investigators contacted witnesses on scene who heard what they believed to be an exchange of gunfire then saw a black sedan speed away. The investigation continues at this hour.
