## **FOR IMMEDIATE RELEASE**

---

### **Man sought in domestic related shooting**

Suspect Tyron Bates

Shreveport Police are searching for the whereabouts of a man accused of shooting his estranged girlfriend back in late May.

On May 26, 2018, just before 10:00 am, Shreveport Police patrol officers responded to the 3700 block of Sumner Street on reports of a shooting. Arriving officers located the victim suffering from a single gunshot wound to her left arm. Shreveport Fire Department transported the victim to University Health Hospital with what was described as non-life threatening injuries.

Investigators with the Violent Crimes and Crime Scene Units were summoned to the scene. The crime scene was processed and evidence collected. Investigators gathered preliminary information that led them to believe that the victim's ex-boyfriend, 37-year-old Tyron Bates, arrived at her residence with a handgun concealed under his shirt. As the victim attempted to shut the door, Bates fired at least one shot, striking her in the arm. Bates then left the scene in a light blue Grand Marquis with large rims bearing an unknown Texas license plate. Following their comprehensive month long investigation, detectives procured a warrant for Bates charging him with one count of Aggravated Battery. He has no bond set.

Shreveport Caddo Crime Stoppers will pay a cash reward for information leading to Bates arrest. Please contact their organization at 318-673-7373 or via the app, P3Tips. Remember Crime Stoppers only wants your information, not your name.
