Detectives have procured a warrant for a man for his alleged involvement in a shooting that left three people injured following a gathering at the Stoner Avenue boat launch in late May. Just after 8:00 p.m. on May 27, 2018, Shreveport Police patrol officers responded to reports of shots fired at the Stoner Avenue boat launch just off Clyde Fant Memorial Parkway. As officers arrived at the scene, they located two adult males suffering from gunshot wounds. The two men were transported to University Health Hospital with what was described as non-life threatening injuries. A third man later arrived at University Health hospital by private automobile he was suffering from non-life threatening gunshot injuries as well. The three victims were identified as 20-year-old Jaylin Shakir, 22-year-old Trecarlos Dillard, and 22-year-old Jamaria Cornelious, all from Shreveport. Investigators with the Violent Crimes Unit immediately responded and launched their investigation. Evidence was collected from the scene and witnesses were interviewed.
