---

### **Shreveport Police investigate weekend shooting injuring two**

Shreveport Police are investigating an early morning shooting which sent two people to area hospitals Saturday. Just before 9:00 a.m. on July 14, 2018, Shreveport Police patrol officers were dispatched to a shooting which occurred at a home in the 3400 block of Stonewall Street. As officers arrived at the home it was learned an adult female was suffering a gunshot wound to the abdomen following being shot by a male assailant inside the residence. The female victim was taken via ambulance to University Health Hospital where her condition was listed as critical. While at the scene, authorities learned a second individual, an adult male, was transported from the Stonewall Street home by private vehicle to Willis-Knighton's north location after he too sustained multiple gunshot wounds from the aforementioned assailant, who fled the scene prior to police arrival.

Based on preliminary information gathered during the early stages of the investigation, it is believed an argument between multiple household members, to include both victims, and the suspected shooter, erupted into physical violence when a firearm was produced by the gunman. Additional information suggests all involved parties, at some point, were living inside the home. Investigators are working at this hour to learn the identity and whereabouts of the suspect in the shooting, who remains at large. Persons with any information relative to the shooting is urged to contact Crimestoppers at: (318) 673-7373 or visit P3tips.com to leave a tip online.

### **UPDATE**

Shreveport Police investigators have procured a warrant for the arrest of 18 year old Nazavion Chatman in connection with this morning's shooting which critically injured a local woman. Chatman is now charged with two counts of attempted second degree murder. Bond in the matter has been set at \$500,000.00. Persons with any information on the whereabouts of Nazavion Chatman are urged to contact Crimestoppers at: (318) 673-7373 or visit P3tips.com to leave a tip online.
