### **Police seek to identify auto theft suspects**

On June 21, 2108, a man reported his car stolen from a convenience store in the 2500 block of Dr Martin Luther King Drive. The owner of the vehicle left the vehicle running at the gas pump while he entered the business. The video surveillance footage shows two individuals enter into the camera's view. One suspect goes directly to the car and the other walks in front of the business and looks inside. Investigators believe the two worked together to steal the car, a silver 2006 Toyota Camry. The vehicle has not been recovered.

Shreveport Caddo Crime Stoppers is offering a cash reward for information leading to the identification and arrest of the individuals responsible for this crime. Contact their organization anonymously at 318-673-7373, [lockemup.org](http://lockemup.org), or via the app P3Tips.
